MONTHLY THEME

FROM THE ARCHIVES

IN THIS ISSUE: *FROM THE ARCHIVES*

Newspaper comic strips helped to create the comic book as we know it today, with the earliest collections of popular daily strips of the era serving as a springboard for the stories of adventure, mystery, and super-heroics that followed. Comic strip material from the 1930s to today is still being collected more and more each year; fan-favorite, little-known, and even obscure strips are being painstakingly cleaned up, enhanced, and collected for a whole new audience to experience once again. This month's issue of ***PREVIEWS*** is filled with dozens of comic strip, as well as comic book, collections, both new and backlist. Just look throughout this issue for our "From the Archives" icon for more great collections!

FLIPSIDE INTERVIEW: *IDW PUBLISHING SPECIAL PROJECTS EDITOR, SCOTT DUNBIER*

IDW's Artist's Editions present classic comic book art as it was originally created, pen & ink pages scanned in color to capture every line, every nuance to be found on the originals. The man behind this series is IDW's Special Projects Editor, Scott Dunbier. Since coming to IDW, he has turned his love of original comic art into this great collector series, presenting classic works from Marvel, DC, and EC comics, by some of the industry's most legendary creators. This month, Scott talks about the Artist's Edition series and where it is headed.

MONSTERS
THE MARVEL MONSTERBUS BY STAN LEE, LARRY LIEBER & JACK KIRBY
"I CHALLENGED GROOT! THE MONSTER FROM PLANET X!"
BEHOLD! I AM GROOT, THE INVINCIBLE! WHO DARES TO DEFY ME??
I DEFY YOU GROOT!! I SHALL DESTROY YOU BEFORE MIDNIGHT!

LOOK! THEY'RE GIVING THE MONSTERS THEIR OWN OMNIBUS!

THANKS, MARVEL! YOU FINALLY GOT MY MESSAGE...

Sometime in mid-to-late 1971, I was stuck at home, sick with the chicken pox. I was miserable. So my mom did something she had never done before: she bought me a stack of comic books from the drugstore. There were all sorts in the stack as I recall, but the issue that stood out to me, and that would set me off on a lifelong love of comics, was Marvel's *Creatures on the Loose* #13 featuring "Moomba", an alien that looked like a Tiki statue come to life. From that day forward, I sought out all of the monster comics — especially those by Stan Lee and Jack Kirby — I could find... it was the beginning of Marvel's "monster" era of the '70s.

Of course, that era came to a close after a few years, but I never lost my love or appreciation for the Kirby monsters. It seemed that everyone else had all but forgotten about them... except for the odd Fin Fan Foom appearance. I always tried to be the Kirby Monster booster... but it seemed to fall on deaf ears. Well, thanks to Cullen Bunn (creator of *The Sixth Gun*), the classic Lee/Kirby monsters of yore are returning in Marvel's latest and — dare I say — greatest crossover event yet: *MONSTERS UNLEASHED*! They're back and ready to destroy the Marvel Universe. Why? Who cares?! It's Kirby Monsters vs. Everybody! I'm so happy about this...

FINAL FANTASY VII
VINCENT VALENTINE
SRP: $49.99 Release: MAR 2017
STL029968

The epic world of FINAL FANTASY VII remains hugely popular, with many spin-off and related series products continuing to come out. Vincent Valentine, one of the key characters in the story, now forms the subject of this high quality statue, depicting him as he appeared in FINAL FANTASY VII Advent Children.
Perched atop a pile of rubble, Vincent's long hair and cape blow dramatically in the wind, while his stance, brandishing the custom tri-barreled handgun Cerberus, hints at his awesome superhuman abilities and mysterious personality.
In addition to an overall design with a clever awareness of depth, the contrast between different areas is beautifully brought out through subtle coloring, coming together to create a masterful sculpture piece with an overwhelming sense of presence.

BATMAN™: ROGUES GALLERY – THE JOKER – Designed by HITOSHI KONDO

Release: FEB 2017
SRP $199.99
STL029308

The DC Comics Variant Play Arts KAI line announces its latest collection: the BATMAN™: Rogues Gallery series! This mashup of Batman's classic silhouette with the beloved villains of his Rogues Gallery results in a never-before-seen design collaboration - East meets West. Good meets Evil.

The JOKER™, one of Batman's greatest Super-Villains, enters the Rogues Gallery series!

A tattered straitjacket is erratically adorned with dynamite, a flower, cans of pepper spray, and an alarm clock. Combined with his playing cards and a pistol with a flag as interchangeable parts, this ensemble shows the character's madness, oozing from within.

The pale skin and bloodshot eyes accentuate his eerie quality, while his trademark purple and green lend dark shadows to his coloring. The bat mark roughly painted on his chest can almost be construed as a laughing mouth. It seems to make a mockery of Batman, offering a glimpse into how The Joker's twisted mind ticks.

Please tell us a bit about yourself!

I'm a writer, editor, publisher, gamer, comics junkie, and armchair historian. I collect comics, science fiction pulp magazines, Ouija boards, and books about the occult. By day I'm the Publisher and Chief Creative Officer of Paizo, Inc., makers of the *Pathfinder Roleplaying Game*, which I have guided since before the beginning. I'm a former Editor-in-Chief of *Dragon*, *Dungeon*, and *Polyhedron* magazines, the co-founder of the *Living Greyhawk* and *Pathfinder Society* "organized play" RPG campaigns, and a long-time contributor to *Dungeons & Dragons*, *Pathfinder*, and other tabletop roleplaying games. I live in the Ballard neighborhood of Seattle with my girlfriend, my pug, and a room full of old books.

What are your favorite projects you've contributed to over the past decade?

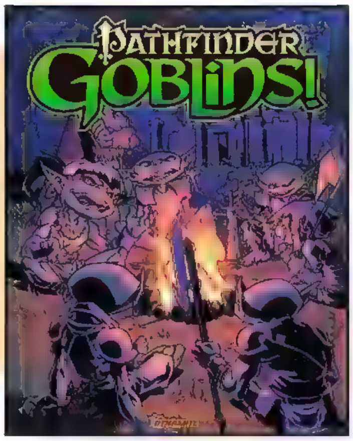
I co-created *Pathfinder's* world of Golarion, which has expanded over literally hundreds of books to become one of the most fully realized sword-and-sorcery settings ever published. It's absolutely crazy to me to see how it has grown over the years, and while there are a few elements of the world that I have fiercely protected as "my own" since its launch in 2007, what's been most interesting and gratifying is seeing how other game designers, novelists, and comic book writers and artists have taken ideas that started in my brain and moved them in amazing directions that I could never have imagined myself. It's been particularly cool to see our world translated into comics by authors like Jim Zub, and over the past couple of years my favorite creative projects have been the comic scripts I've been able to contribute to Dynamite's line of *Pathfinder* comics. My fascination with tabletop roleplaying games like *D&D* and *Pathfinder* literally started on the same day as my fascination with comics when my dad bought a small collection of both and gave it to me as a little kid, so getting a chance to create stories inspired by both comics and games has been a nice way to tie it all together, all these years later.

What are you currently working on?

My current project is *Pathfinder: Worldscape*, a six-issue comic series that sees the *Pathfinder* adventurers Valeros the fighter, Seoni the sorcerer, Kyra the cleric, and Merisiel the rogue transported to a bizarre prison dimension designed to draw in the greatest warriors of three worlds. There, they encounter a cavalcade of sword-&-sorcery superstars like *Red Sonja*, *John Carter of Mars*, *Tarzan*, *Thun'da*, and others drawn from Dynamite's vast catalog of amazing fantasy and pulp-inspired characters. Together, these heroes work to thwart the machinations of Red Sonja's wizardly arch-foe, Kulan Gath, who has sinister plans of his own for the Worldscape and its mighty inhabitants! Dynamite challenged me not just to include their major characters, but to draw in interesting public domain characters from the long history of fantasy comics, which brought me to others like Fantomah, Camilla, Queen of the Lost Empire, Kalkor and other even more obscure and interesting heroes and villains. Weaving it all together — while still leaving room for an interesting story about people, rather than just a string of cameos — has been an exciting challenge, and one of my all-time favorite creative projects. Along the way, every issue of *Pathfinder: Worldscape* also features an RPG appendix I'm also writing, providing official *Pathfinder RPG* stats for the book's guest-stars. I've already figured out how to translate Red Sonja into *Pathfinder*, and I'm currently working on John Carter's best friend, the green Martian, Tars Tarkas, who appears in issue #2.

PATHFINDER

PATHFINDER WORLDSCAPE
DYNAMITE



PATHFINDER GOBLINS!

What fun titles are you reading?

There's so much unique and interesting stuff coming out right now I feel incredibly spoiled for choice. Some of my favorite reads over the last couple weeks include former *Pathfinder* writer Jim Zub's Cthulhu/Hollywood mash-up, *Glitterbomb*, the space opera police procedural *Hadrian's Wall* from Kyle Higgins (with beautiful art by Rod Reis), and the *Lake of Fire*, by Nathan Fairbairn and Matt Smith. The latter is an historical fantasy set during the Catholic Church's Albigensian Crusade against the French Cathars in the 1200s, a little-explored era that holds great interest to me. Smith's art gives the whole thing a storybook flair I find particularly appealing. Great stuff!

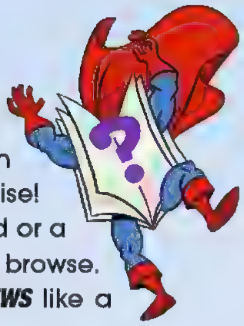
Learn How to Use *PREVIEWS* to Order From Your Comic Shop!

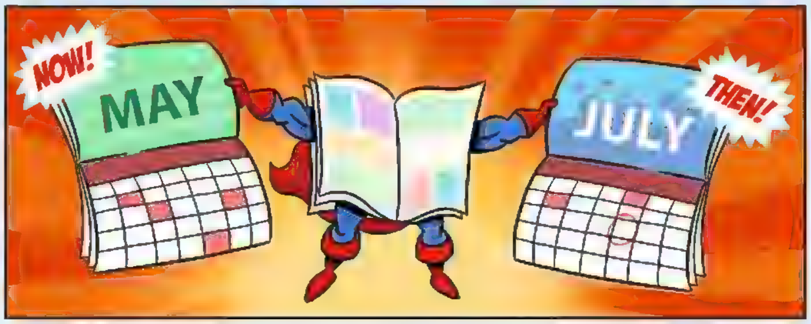
USER'S GUIDE



There's *a lot* of awesome comics and products to look through in ***PREVIEWS***. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use ***PREVIEWS*** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS *PREVIEWS*?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log*!) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—***PREVIEWS*** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.



NOW!
MAY
JULY
THEN!

The most important aspect of ***PREVIEWS*** to remember is that **items solicited in the catalog are anticipated to ship 2-3 months later** (or more). For example, if you found a comic you wanted in the May issue of ***PREVIEWS***, you can expect to see it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM *PREVIEWS*?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of ***PREVIEWS*** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

PREVIEWS LEGEND

Throughout this issue of ***PREVIEWS***, you'll find a variety of symbols and terms that will help you in selecting items from this catalog. Here's what they mean:

Gems of the Month

The top offerings, as chosen by our Premier Publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items

In other sections, you'll find Featured Items, the top monthly products offered in their categories.

Spotlight On

These items are not to be missed; highlighted to get your attention.

PREVIEWS Exclusive

These are items available only through ***PREVIEWS*** ! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme

Each month, ***PREVIEWS*** features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool

Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick

This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge

The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month

These are best-selling backlist items that are available for immediate order from your local comic shop. If your shop doesn't have a copy in store, they can order one for you and have in less than a week!

Offered Again (O/A)

These items have been previously offered before in ***PREVIEWS*** and are being made available again.

PI or Please Inquire

Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP

Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)

Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its ***PREVIEWS*** description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
0 = No International Rights restriction;
1 = International Rights are restricted.

Content Changes — the content may change after solicitation.
0 = No Content disclaimer;
1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
0 = Item is expected to ship within 30 days of the EST SHIP DATE.
1 = Item is expected to ship within 60 days of the EST SHIP DATE.
2 = Item is expected to ship within 90 days of the EST SHIP DATE.

PREVIEWS Abbreviations

SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A Note to Toy Collectors:

Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

Where The Magic Of Collectibles Comes Alive!

Metropolis Reports Record for CGC 9.2 Hulk #1

9.2
THE INCREDIBLE HULK
THE STRANGEST MAN OF ALL TIME!!
IS HE MAN OR MONSTER OR

Metropolis has reported a sales record set when they brokered the sale of the CGC-certified 9.2 Northland pedigree copy of *Incredible Hulk* #1 for $375,000. It came just two years after the same issue sold for $326,000 in August 2014.

Metropolis COO Vincent Zurzolo said the sale demonstrates the potential for growth when investing in high grade, key issues.

"The CGC census shows just one 9.4, which will never be sold, and four 9.2s so the pickings above 9.0 are slim. The buyer has made a sound investment which will only continue to reap rewards down the line, should he choose to sell it," CEO Stephen Fishler said.

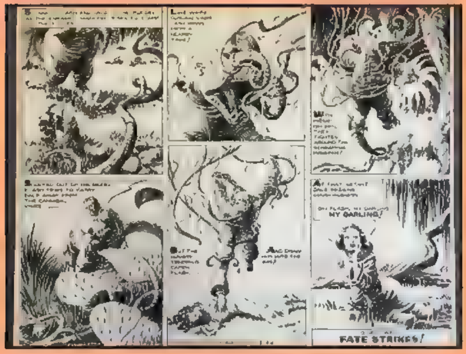
Flash Gordon Original Nets $60K at Philip Weiss



MY DARLING!
FATE STRIKES!

Original Sunday page artwork for the *Flash Gordon* comic strip, done by illustrator Alex Raymond (1909-1956) and dated 1/24/1937, sold for $60,375 in an auction held September 8 by Philip Weiss Auctions.

The *Flash Gordon* strip, commissioned in 1937 by King Features Syndicate, was the top achiever in an auction of about 600 lots that grossed right around $600,000. The strip showed Flash and Dale battling a Magnoped, with great action for both key characters. The lot was truly fresh to the market, having only recently been pulled from a noted cartoonist's estate.

……

Mad Hatter: More Evil Than Mad

In 1948 the villainous Mad Hatter, who bared a striking resemblance to *Alice in Wonderland*'s Hatter, made his first appearance in *Batman* #49. Created by Bill Finger and Lew Sayre Schwartz, Mad Hatter, entered Gotham as a neuroscientist turned criminal. Mad Hatter, a/k/a Dr. Jervis Tetch, has genius-level intellect, suffers from immaturity, an obsessive-compulsive disorder, and is highly delusional. He identifies so much with Lewis Carroll's character that he often has a hard time discerning between those stories and reality.

What's Cool in this Month's Catalog!

November 2016 | Edited By: Allyn Gibson | editor@PREVIEWSworld.com

MONSTROUS ARMAGEDDON IS AT HAND IN *MONSTERS UNLEASHED*

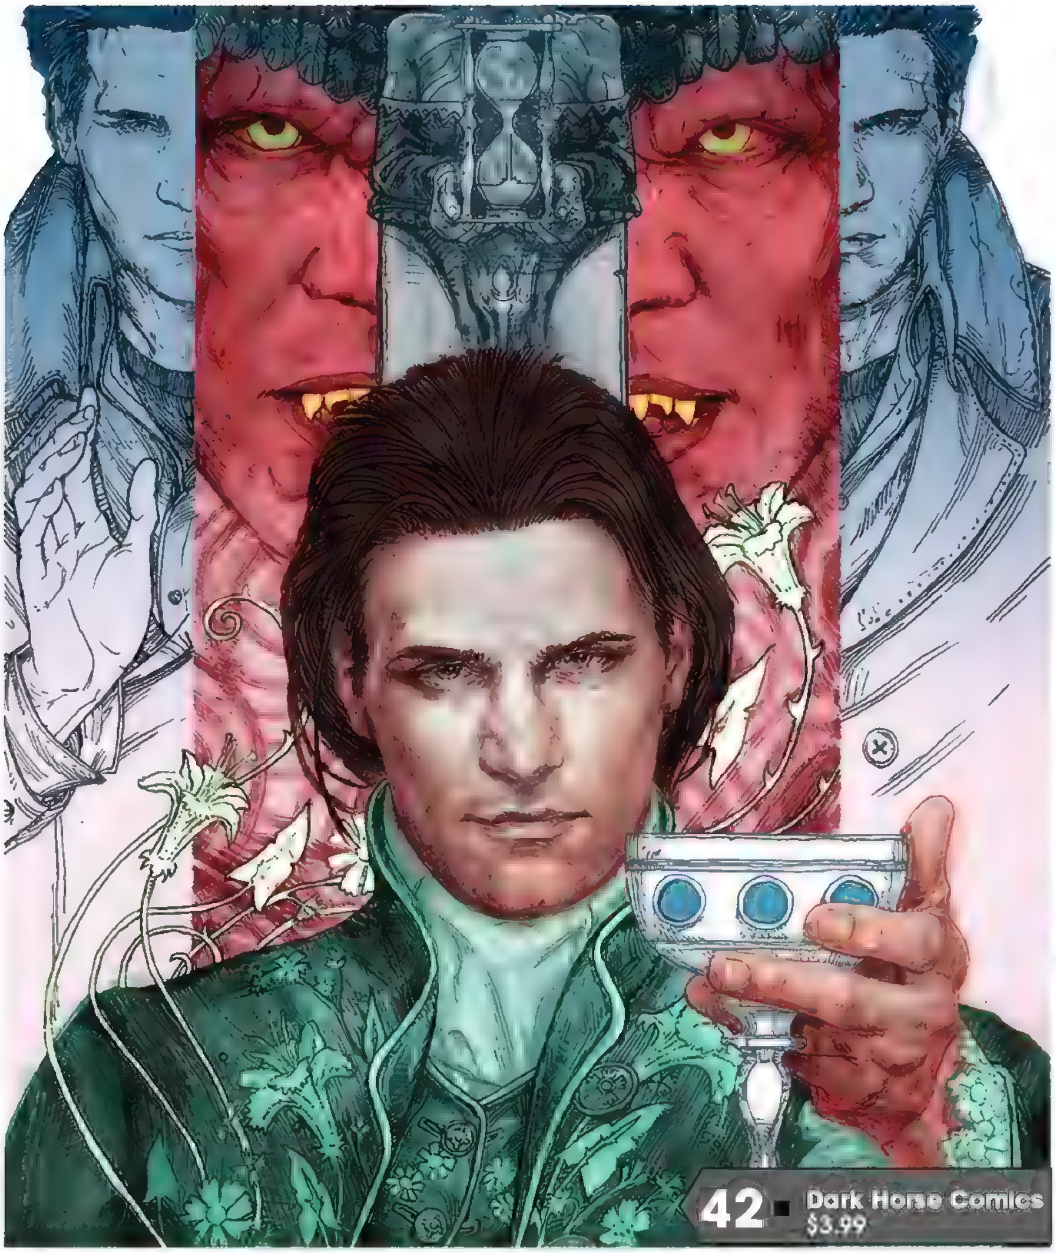
The new year starts with a bang — quite literally! — for the Marvel Universe when giant monsters descend on the Earth and begin to wreak havoc, destroying cities, burning towns, and fighting with one another. Only the combined might of Earth's heroes can defeat the monsters and save the Earth in Marvel Comics' *Monsters Unleashed!*, coming this January from Cullen Bunn and an all-star roster of artists, beginning with Steve McNiven!

Though Marvel's heroes have their differences, when Earth is endangered by the threat of enormous monsters, the heroes have but one choice — save Earth and its people from the rampaging monsters! Featuring monsters from the pre-history of Marvel Comics to the present day, with monsters created by Jack Kirby, Steve Ditko, Don Heck, and Herb Trimpe to more recent monsters, some of whom haven't been seen in decades, *Monsters Unleashed!* unites the past and present of Marvel Comics in a high-intensity throwdown between Marvel's heroes and Marvel's monsters for the fate of the world!

Cullen Bunn, the acclaimed writer of *Deadpool Kills the Marvel Universe*, unleashes monster mayhem on the Marvel Universe in *Monsters Unleashed!* Each issue features 30 pages of monster fighting action, including full-page and two-page spreads, drawn by an all-star roster of artists — Steve McNiven, Adam Kubert, Greg Land, Salvador Larroca, and Leinil Francis Yu — kicking off with McNiven in the first issue.

Shipping biweekly from January to March, the five issue *Monsters Unleashed!* is an epic of action, mayhem, and monster action from Cullen Bunn and five of Marvel Comics' top artists. This January, witness the monster apocalypse!

Earth faces an invasion of rampaging monsters in this new mini-series from Cullen Bunn and a bevy of top artists!

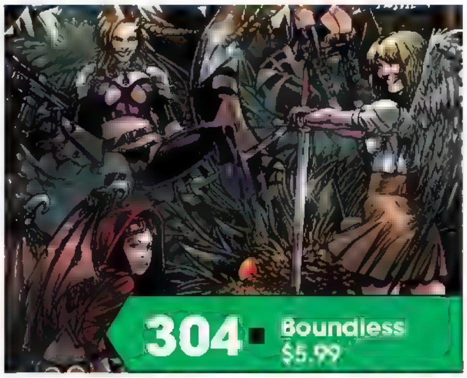


THERE'S A WORLD TO SAVE IN DARK HORSE'S *ANGEL SEASON 11*

Joss Whedon's fan-favorite television series *Buffy the Vampire Slayer* kicked off its eleventh season with a new Dark Horse Comics series this autumn, and now Buffy's former vampire lover returns with his own story in *Angel Season 11* #1.

Haunted by visions of his past, fearing a connection to a world-spanning threat, Angel and the goddess Illyria have to uncover the secrets of his vampiric past for a solution. But the past may not be as immutable as has always believed, and it may be possible for Angel to change the past to save the future!

Written by Corinna Bechko with art by Geraldo Borges, Dark Horse Comics' *Angel Season 11* continues the story of the tormented yet heroic vampire and ties into the ongoing Buffy the Vampire Slayer mythos!



MEET HEAVEN'S WORST WARRIORS IN BOUNDLESS' *UNHOLY*

The Dirty Dozen meets Paradise Lost in Boundless' new series, *Unholy!* With the war against Hell going badly, one of Heaven's angels assembles the worst of the worst as Heaven's warriors!

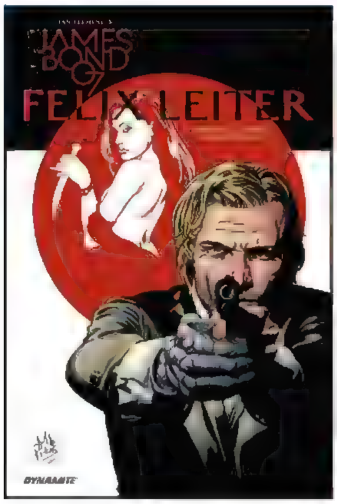
SAIL INTO SPACE IN THE STEAMPUNK ADVENTURES, *AETHER & EMPIRE*

Melding the imagination of Jules Verne and the space adventure of Star Trek, Michael Horan and Bong Dazo's *Aether & Empire* imagines a Victorian-era British space fleet and its bold adventure to the Red Planet!



JAMES BOND'S UNIVERSE EXPANDS WITH DYNAMITE'S *FELIX LEITER* SERIES

Felix Leiter, James Bond's CIA ally, has been a fixture of the franchise since Ian Fleming's second novel (*Live and Let Die*) and the first film (*Dr. No*). This January, Leiter stars in a solo spin-off series from James Robinson and Dynamite Entertainment. The CIA spook has gone solo in *James Bond: Felix Leiter!*

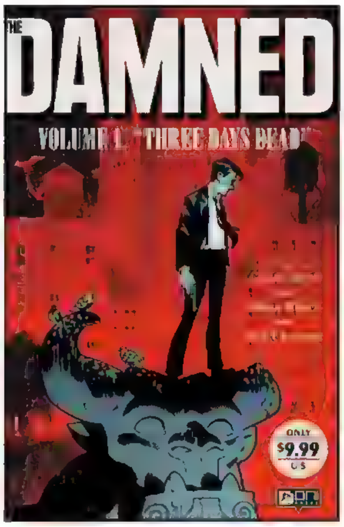
ASSASSIN'S CREED REACHES A CLIMAX IN TITAN'S NEW SERIES

Spanning a decade of storytelling and uniting the Templars and Assassins in one epic storyline, Titan Comics' new *Assassin's Creed* series reveals the secrets behind the Phoenix Project. A team of Assassins is all that stands between humanity and the world-dominating Phoenix Project. This will either be their finest hour — or humanity's final hour!

402 ■ **Titan Comics** $3.99



THE SIXTH GUN CREATORS RETEAM FOR A PROHIBITION-ERA SERIES

The Roaring Twenties. Prohibition. Organized Crime. The 1920s have been an iconic period in American history and a frequent topic for literature, and this March The Sixth Gun's Cullen Bunn and Brian Hurtt put their own spin on the period in their graphic novel *The Damned* Volume 1: *Three Days Dead*, putting a supernatural spin, complete with demon hitman, on the era!

378 ■ **Oni Press** $9.99

THE MANGA ADAPTATIONS OF TWO *ZELDA* GAMES ARE LEGENDARY

VIZ Media's *Legend of Zelda Legendary Edition* series continues this January in the second volume, *Oracle of Seasons/Oracle of Ages*. Based on two interconnected Gameboy Advance games, Akira Himekawa's manga adaptations are collected into a single volume, telling the story of Link's quest to defeat General Onox and the Sorceress of Shadows!

437 ■ **Viz Media** $17.99

THE KINGDOM'S WOMEN ARE ITS LAST DEFENSE IN BOOM!'S *LADYCASTLE*

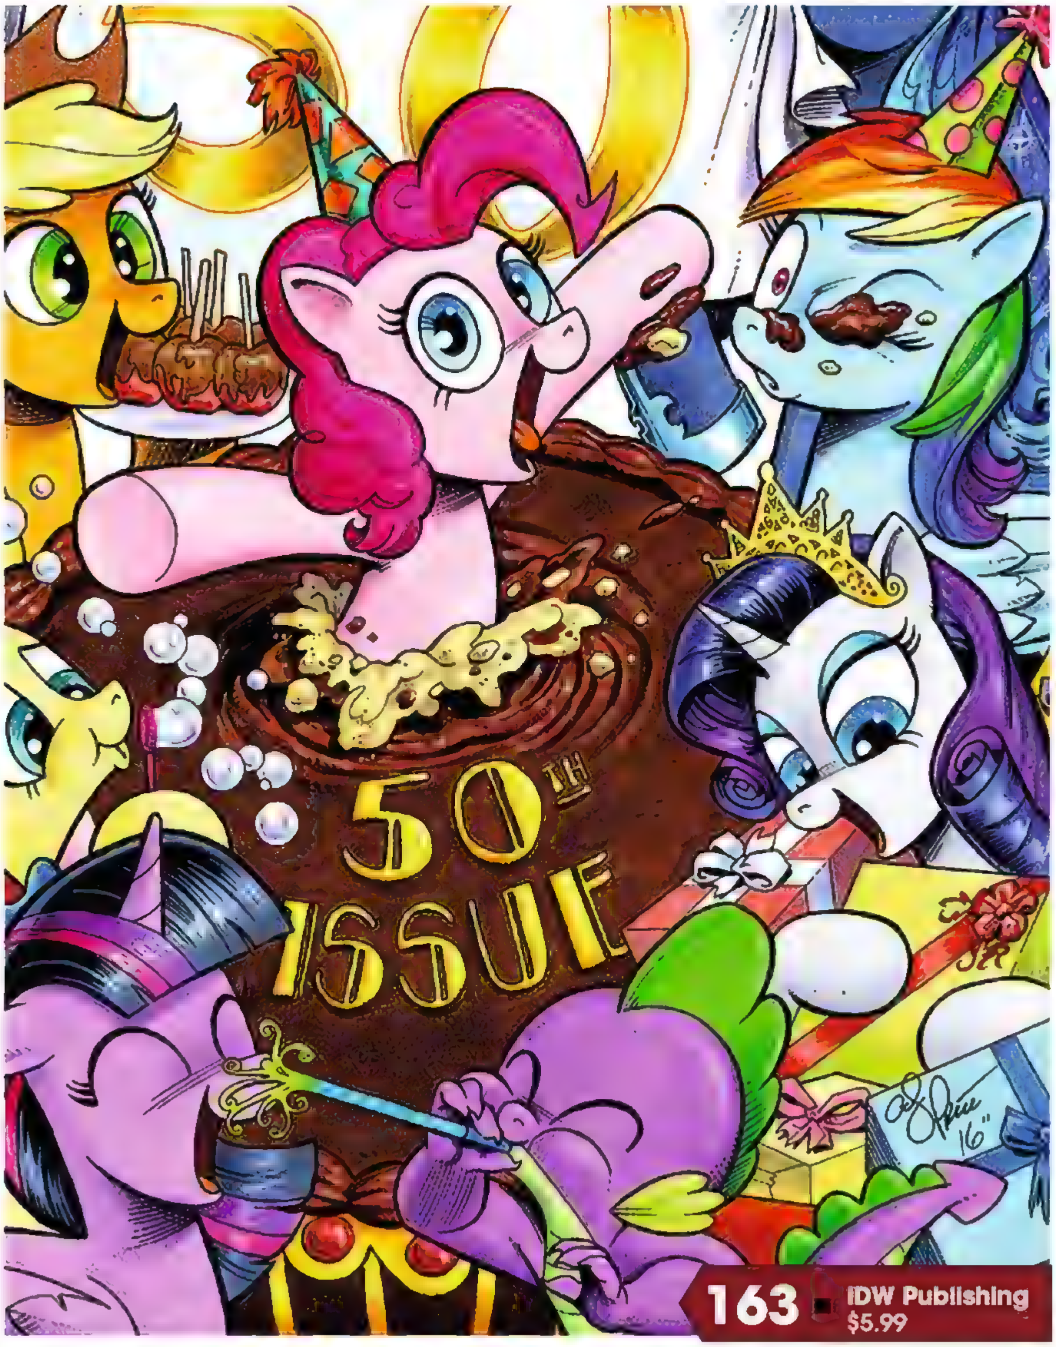
A quest to slay a dragon results in the death of a kingdom's king and knights, leaving the women of the castle to take control and defend the kingdom when it's attacked by a demonic force in BOOM! Studios new fantasy series, *Ladycastle*, from Delilah S. Dawson and Ashley A. Woods.

394 ■ **BOOM! Studios** $3.99

SECRETS ARE REVEALED IN ARCHIE'S *RIVERDALE* PREQUEL ONE-SHOT

The world of Riverdale comes to The CW next year, and Archie Comics wants to introduce readers to the world of the *Riverdale* television series with the new *Riverdale* one-shot! Featuring stories about Archie, Veronica, Jughead, and more, the *Riverdale* one-shot sets the stage for one of The CW's most anticipated series!

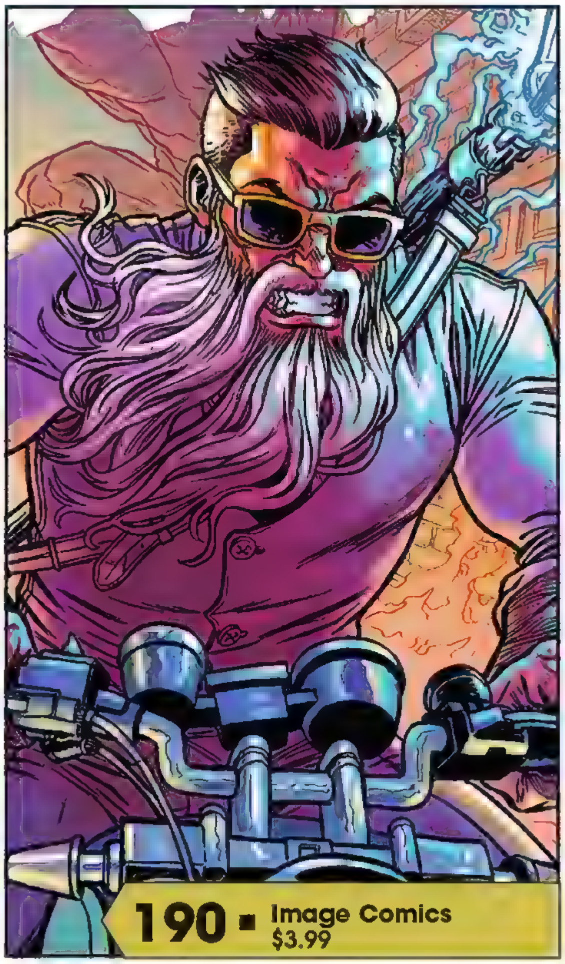
276 ■ **Archie Comics** $4.99



MY LITTLE PONY REACHES ITS MILESTONE 50TH ISSUE

Four years ago IDW Publishing launched *My Little Pony: Friendship Is Magic*, based on the popular animated series, and this January they celebrate fifty issues of the series with the oversized milestone issue, *My Little Pony: Friendship Is Magic* #50!

The struggle of the Ponies against the dragon Discord reaches a climax in the conclusion to "Chaos Theory," plus there's a special 10-page bonus story! It's a party that befit Equestria, and it all comes your way from Ted Anderson and Andy Price.



NEW YORK CITY BECOMES A MAGICAL PLAYGROUND IN IMAGE'S *CURSE WORDS*

A wizard shows up and starts performing good deeds. But is he a good wizard? Is his goodness only an act? How can you tell? What if he's actually a bad wizard and he's running a giant con on a gullible public? What if the end times are at hand?

Charles Soule and Ryan Browne's *Curse Words* is a wild urban fantasy of the battle between the forces of light and darkness in New York City and the wizard who might not be at all who he appears to be. Coming your way this January from Image Comics, *Curse Words* will be a wild ride of mystery and magic!

DISCOVER THE VALUE OF YOUR *STAR WARS* COLLECTION WITH A NEW BECKETT MAGAZINE

Whether you began collecting *Star Wars* figures in memorabilia in 1977 with the release of the first film or just in the last year with the release of *Star Wars: The Force Awakens*, Beckett Media's *Star Wars Collectibles Price Guide* is the essential guide to valuing your *Star Wars* collection! Spanning the last forty years of *Star Wars* collectibles, you'll discover the values of figures, playsets, posters, and much more in this comprehensive guide!

TITAN

NEW CRIME THRILLER FROM DIRECTOR OF *THE WARRIORS* WALTER HILL!

HARD CASE CRIME

FEATURED ITEM

This October, Titan Comics launched *Peepland* and *Triggerman* - the first titles in their daring new Hard Case Crime comics imprint. Written by legendary director/screenwriter, Walter Hill (*The Warriors, The Getaway, 48 Hrs., Geronimo, Undisputed, Deadwood, Broken Trail*), *Triggerman* is a Prohibition-era crime epic that perfectly captures the gritty nature of the genre.

In early 2017, Walter Hill returns to the comic world with the surgical/noir thriller, *(re)ASSIGNMENT*. We sat down with the visionary himself to discuss his next comic book series, which has already been adapted into a brand new film – starring Michelle Rodriguez and Sigourney Weaver!

Take it away, Walter!

INTERVIEW WITH WALTER HILL

Can you tell us more about *(re)ASSIGNMENT*? It was originally published as a standalone graphic novel by French publisher, Rue de Sevres.
Yes, under the title, *Corps Et Âme* (*Body and Soul*). It's my second effort in this discipline. The motion picture and the graphic novel were actually written under the title *Tomboy*. Unfortunately, the title didn't translate well into French, so Rue de Sevres decided to come up with *Body and Soul*.

How did the project come about?
I need to give Denis Hamill credit here. Denis wrote the first draft, which my agent sent to me. I liked it, bought the original story, changed it, and turned it into a movie script and then a graphic novel, which I gave to Matz.

How did your working partnership with Matz and Jef first happen?
I met Matz in New Orleans while working on *Bullet to the Head* which is an adaption of his graphic novel of the same name. I knew his work and was very fond of *La Tueur* (*The Killer*), which was an excellent series of graphic novels. We just kinda hit it off and now you're sitting there with the end result...

***(re)ASSIGNMENT* has garnered its fair share of controversy already. Some say the premise is lurid and low...**
I say that. And plead guilty. The movie was attacked before it had even gotten made. We were kidding ourselves if we didn't think this was going to be controversial; we've had both defenders and attackers coming forward – but that's okay. It is lurid, comic-booky, and noir-ish but was never meant to be about gender reassignment. At its heart, it's a revenge story. And a Mad Scientist story. To be told that certain subjects are totally off limits or that they're sacrosanct, seems to me to be the worst kind of censorship.

The story really turns the issue of gender-dysphoria on its head.
Our main character, Frank Kitchen, may end up 'altered', but he's still a guy inside.

Do you like writing in the graphic novel format?
Very much. It's like running wind sprints when you're used to running the mile. And I love the covers Titan have been commissioning for the HCC line – Fay Dalton's work is splendid.

Now that *(re)ASSIGNMENT* has received the Hollywood treatment, do you plan to make *Triggerman* into a movie?
I'm in the middle of a couple of things right now. After the movie premieres, I'll try to figure out what I want to do next, but *Triggerman* is certainly on the table.

Do you have any possible sequels to *Triggerman* / *(re)ASSIGNMENT* in the pipeline?
Matz and I are currently talking about a sci-fi project, which will probably be the next thing we do together. I already have 60 or 70 rough pages written of the *Triggerman* sequel and around 40 pages of material for a *Tomboy* follow-up. They still need polishing, but I really don't want to see either franchise wither away as I'm fond of them both. I hope to turn Frank Kitchen into more of an urban vigilante role, whereas the *Triggerman* sequel will explore more of Roy Nash's backstory.

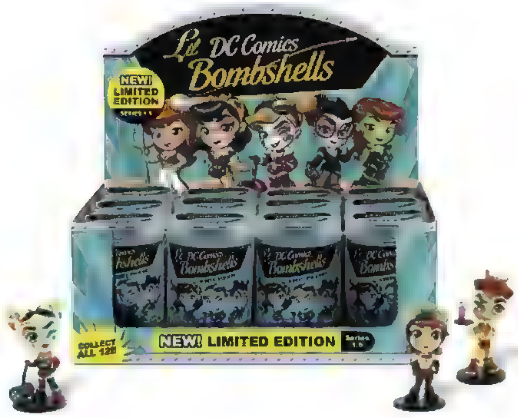
THE CW'S SUPERGIRL SOARS WITH TWO DC COLLECTIBLES ACTION FIGURES

149

Supergirl, the acclaimed super-hero television series, has just started its second season on The CW, and next spring two of its lead characters are transformed into detailed action figures from DC Collectibles! *Supergirl* stands 6 3/4" tall and comes with a replacement head that shows her hair flowing behind her in flight, while her ally the *Martian Manhunter* stands 7" tall and comes with additional hand parts. Defeat evil in National City with these figures!



LIL DC BOMBSHELLS MINI-FIGURES

496 Toys $9.99

THE DC BOMBSHELLS ARE ADORABLE WITH CRYPTOZOIC'S NEW MINI-FIGURES

496

Ant Lucia's *DC Bombshells*, a redesign of DC Comics' super-heroines in the style of 1940s pin-up artwork, has proven a smash with fans and collectors, and this January Cryptozoic puts a new spin on the concept with the *Lil DC Bombshells Mini-Figures!* These figures take Lucia's Bombshell designs, shrinks them to 2 3/4" tall, and give them an adorable chibi-style with large heads, larger eyes, and tiny bodies. Find your favorites, or collect them all!

PLAY ARTS KAI VARIANT ROGUE'S GALLERY: THE JOKER FIGURE

SQUARE ENIX IMAGINES THE JOKER AS THE DARK KNIGHT WITH A NEW FIGURE

543

Square Enix's *DC Comics Variant Play Arts Kai* line reimagines the characters of the DC Universe in different times and different places. The new Rogues Gallery line takes a unique spin on the reimagination by merging a hero and a villain, and in the case of the *Rogues Gallery: The Joker* Figure, it's the Clown Prince of Crime who is Gotham City's champion! A chilling look at the Batman universe, the *Play Arts Kai Variant Rogue's Gallery: The Joker Figure* comes your way in February!

WHO WATCHES DIAMOND SELECT TOYS' NEW VINIMATES?

481

In 2009 Zack Snyder adapted *Watchmen*, one of the most acclaimed graphic novels, into one of the most anticipated super-hero films ever. From the movie comes the newest Vinimate figures from Diamond Select Toys! The *Watchmen Vinimate Figures* recreate the *Comedian*, *Nite Owl*, and *Rorschach* in the fan-favorite Minimates style as a 4-inch tall action figure. You can almost hear the clock ticking toward midnight with these figures!

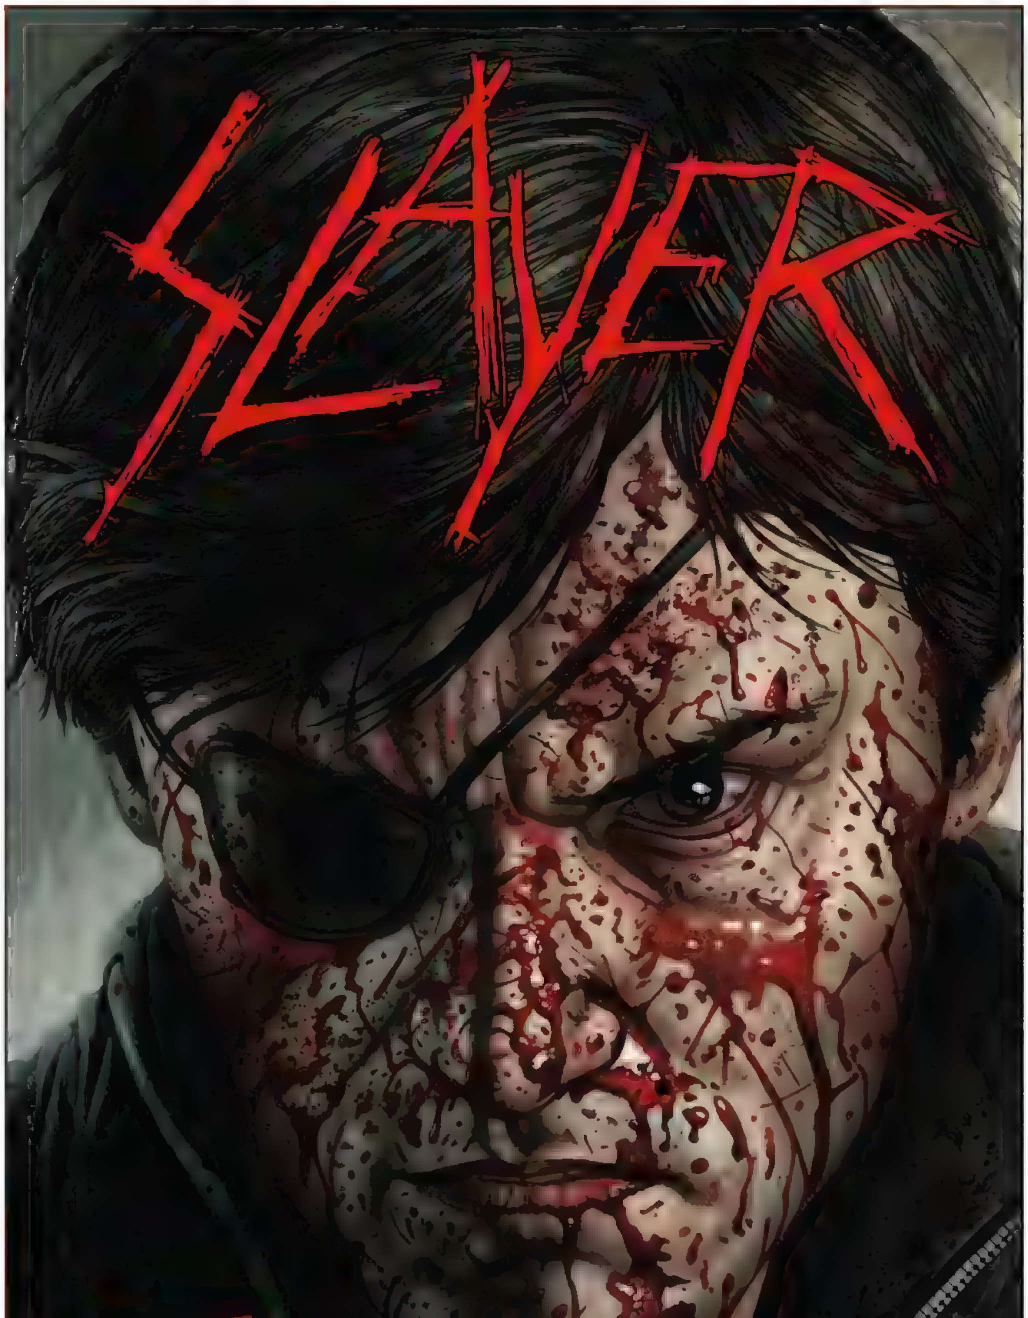
The planet's most badass metal band takes control of comics! The ultimate thrash juggernaut, Slayer has dominated stages and destroyed audiences for over thirty years, with their latest album, *Repentless*, showing no signs of slowing down or showing mercy. Based on the brutal *Repentless* videos, this expansion of the video story lines drives deep into the darkest heart of America, a raging road trip down a bloodstained highway, a tale of the doomed, the damned . . . and the repentless!

- **Story based on the Slayer videos written and directed by B. J. McDonnell (*Hatchet III*).**
- **Script by director/producer Jon Schnepp (*Metalocalypse*, *The Venture Bros.*, *The Death of "Superman Lives"*).**



Variant cover by Eric Powell

YOU?
PRETTY NARCISSISTIC, HUH?
WAIT A MINUTE!
THIS COULD BE IMPORTANT. YOU CAN'T JUST IGNORE IT! WHAT IF IT'S ABOUT THIS EXORCISM?
IT'S NOT. IT WAS MORE LIKE A MEMORY. SOMETHING THAT ALREADY HAPPENED.
THAT'S NOT HOW IT WORKS, AND YOU KNOW IT. WE'RE SUPPOSED TO *DO* SOMETHING.
WE JUST HAVE TO FIGURE OUT WHAT.
I KNOW YOU'RE TRYING TO HELP, BUT THERE'S NO *WE* HERE. THIS IS ON *ME.* THERE WAS A DEFINITE FEELING OF...
I DON'T KNOW, SOMETHING *BAD.* REALLY...*BAD.*
AND IT WAS ALL TIED UP WITH SEEING MYSELF AS I USED TO BE--AS *ANGELUS*--WITHOUT A SOUL.
SO I HOPE YOU UNDERSTAND WHY I'D LIKE YOU TO STAY *OUT* OF IT.

Briggs Land, nearly a hundred square miles of rural wilderness, contains the largest antigovernment secessionist movement in the United States. When matriarch Grace Briggs wrests control of the operation from her incarcerated husband, she sparks a war within the community—and her immediate family—that threatens to bring the full power of the federal government down on their heads. Collects issues #1–#6 of the series.

"Briggs Land feels like material for a true water cooler television crime drama we haven't seen in a couple of years."

Degradation! Crime! Madness! Hysteria surrounded marijuana as a perceived gateway drug from the 1930s to the 1950s and beyond. *Adventure Comics*, by Jerry Siegel and Joe Shuster, and works by Frank Frazetta, Jerry Robinson, Jack Kirby, and many more reveal the social reaction to this era of "Reefer Madness." From comically misinformed to soberly concerned, these comics lament the impact of weed on youth culture.

ABSOLUTE PREACHER VOL. 2 HC

Written by GARTH ENNIS
Art by STEVE DILLON, CARLOS EZQUERRA, STEVE PUGH, PETER SNEJBJERG and RICHARD CASE • Cover by GLENN FABRY

In these tales from PREACHER #27-40, presented in DC's Absolute format for the first time, Jesse and Tulip are reunited at last. Together with Cassidy, they head for New Orleans in the hope of finding the secret buried in Jesse's psyche. And while Cassidy and Tulip face the painfully pretentious Enfants du Sang, Jesse taps into some dark magic—all while Herr Starr gathers his forces against the trio. And, against all odds, Arseface finds fame as a singer! Also includes THE SAINT OF KILLERS #1-4 and the specials ONE MAN'S WAR, CASSIDY—BLOOD AND WHISKEY, THE GOOD OLD BOYS and THE STORY OF YOU-KNOW-WHO.

KID ETERNITY BOOK ONE TP

Written by ANN NOCENTI
Art and cover by SEAN PHILLIPS

Ever wonder who's calling the shots? Ever wonder if those in control are reviewing all the résumés? If not, consider the case of Kid Eternity. Everyone knows someone like the Kid—the dude who seems just too cool to live. In his case, though, it's true. Kid Eternity is dead, though he tries not to let that cramp his style. In a lot of ways, he's a pretty typical teenager—more interested in the world in his head than in the job at hand, which is to help humanity raise its consciousness and climb the next rung of evolution's ladder. This new trade paperback collects KID ETERNITY #1-9, plus a story from VERTIGO JAM #1.

Written by TOM KING • Art by MITCH GERADS • Cover by JOHN PAUL LEON

In these chapters from THE SHERIFF OF BABYLON #7-12, things are heating up in Baghdad. What started as the search for one man's killer has turned into something much deeper, and everyone lost something in the violence that followed. Now Nassir is in the hands of the men who may have been responsible for all of it. What they want from him is unclear, but it's a payment they intend to take in blood. Deals with the devil rarely go right, but in Baghdad, the wrong deal could get lots of people killed...

ROM, VOL. 1

writer **Chris Ryall & Christos Gage**

artist **David Messina, Ron Joseph**

cover **Zach Howard**

Far away, in another galaxy, the knights of the Solstar Order, defenders of justice and truth, were ambushed by the evil magicians, the Dire Wraiths. In the end, the Solstar Order prevailed and began seeking out its scattered enemies. One of these knights has followed the trail of the Dire Wraiths all the way to Earth. This knight, the one the Dire Wraiths fear more than all others has hounded them and kept them underground for centuries and could wipe them off the face of creation. He is ROM, Lord of the Solstar Order. Rom, the Wraithslayer. Collects issues #0–4 and *Rom: Revolution.*

Certified Cool™

With a BFA, solo exhibitions, and work experience at a New York gallery, Lauren Purje has spent plenty of time in the art world...consider this her cry for help.

*You Might Be An Artist If...*collects several years of her comic strips about the ups and downs of life in the arts. Her wry and relatable sense of humor animates every page, tying together flights of fancy, bitter grumblings, motivational pep-talks, self-doubt, procrastination, and inspiration.

Capturing the moments that remind us why we take art seriously — but not TOO seriously — Purje's comics are a perfect handbook for anyone living the creative life.

FLIGHT OF THE RAVEN

writer/artist/cover **Jean-Pierre Gibrat**

Jean-Pierre Gibrat's lushly colored graphic novel is one of the most stunningly beautiful comics of the 21st Century. The story takes place in Paris during the German occupation and stars a memorable heroine in the French Resistance fighter named Jeanne. With the help of an apolitical cat burglar named François, she tries to save her comrades, including her missing sister Cécile, from the Gestapo. They walk in the places between shadows, as Gibrat uses the evocative Paris rooftops and river barges on the Seine almost as separate characters. The book also includes a portfolio of pin-ups featuring its heroine.

REED CRANDALL'S EC STORIES ARTIST'S EDITION HC

writer **Various**

artist/cover **Reed Crandall**

Reed Crandall was one of the greatest comic artists of the Golden Age. His work graced the covers and pages of National Comics (drawing the iconic *Uncle Sam*, as well as *Blackhawk*, *Doll Man* and many others). Legendary for his remarkable talents as a draftsman, he was the quintessential "Artist's Artist."

This Artist's Edition focuses on Crandall's remarkable EC Comics stories, including many that are outright classics. And like all the award-winning Artist's Editions, this book was scanned entirely from the original art—if you are a fan of Crandall's work, there IS NO better way to view it!

NOW ON, JOHNNY ONE IS DONE.
NOW ON, YOU CALL ME PLATINUM JOHNNY!
SURE, MAN. WHATEVER.
I... I'M BEAUTIFUL.
BUT... I CAN'T FEEL NOTHIN'. IT'S LIKE MY FOOT'S ASLEEP...
...BUT I'M ALL FOOT!
WHAT THE HELL DID YOU EXPECT? YOU'RE METAL.
BUT YET, HERE YOU ARE, STILL WALKING AND TALKING.
THAT WAS SOME PUISSANCE, RIGHT THERE.
YOU HAVE ANY IDEA HOW HARD THAT WAS?
YOU KNOW, I'M HONESTLY A LITTLE SURPRISED YOU PULLED IT O—

THE FEW #1

GEM OF THE MONTH
Critically lauded writer and playwright **SEAN LEWIS** follows up the cult favorite **SAINTS** with his newest book **THE FEW**. Teaming with red-hot artist **HAYDEN SHERMAN** for a LIMITED MAXI-SERIES, **THE FEW** combines **Mad Max** action with a **Station Eleven** sensibility in this sci-fi series for mature readers. In a dystopian future, two survivalist brothers stumble across an unlikely sight: a woman asleep in the woods holding nothing but a gun and a baby wearing a gas mask. As these boys begin to embark on helping this woman, betrayals, secrets, and revolutions abound in the fight for what's left of America.

SERIES PREMIERE

Emmet Quinlan, an old widower rattled by dementia, isn't just a problem for his children—his violent outbursts are more than the local cops can handle. When a tornado levels his home—as well as the surrounding West Texas town—a restored Quinlan rises from the wreckage. The enchanted sword at the eye of the storm gives him more than a sound mind and body, however.

He's now the only man who can face the otherworldly creatures the sword has drawn down to the Lone Star State...

DANTE, ONE-SHOT

48 PAGES PRESTIGE FORMAT

Dante was a family man with a wife and young daughter, and also a top assassin working for an international crime syndicate. For two decades he worked hard to keep these two lives separate and was then ready to retire. Manipulated into thinking he could quit with the syndicate's blessing, Dante was betrayed and accidentally killed a young Asian boy while fighting to save himself. This act changes him forever as he is supernaturally cursed and wakes up inexplicably covered with tattoos. Dante tries to uncover the source of this supernatural curse while looking for his family that has now disappeared.

A.D.: AFTER DEATH
BOOK 3 (OF 3)

MINI-SERIES FINALE
Jonah Cooke is on the run from a future he helped create, a future where death has been genetically cured. Yet he's finally come to accept that no matter how long he lives, he'll never escape his past. And now he's done the one thing that may put everyone left alive in jeopardy. The shocking conclusion of the sci-fi epic by two of comics' most acclaimed creators is here.

LAST RITES

'68, VOL. 6: LAST RITES TP

The greatest city in the world lies blanketed in ice and snow. There are no lights on Broadway, no taxis clogging the streets, and the Empire State stands like a frozen tombstone blanketing a dead metropolis in its shadow. These are the Popsicle Fields...a labyrinth of New York streets littered with the frozen undead. This is 1970, two years since the rise of the cannibalistic dead. This is **'68: LAST RITES**, the climactic sixth volume in the epic, award-winning military/horror comic series that brings all branching storylines to a close.

From writer **MARK KIDWELL** and artists **JEFF ZORNOW** and **JAY FOTOS**, **'68: LAST RITES** closes the curtain on the saga of the rise of the living dead in the age of Aquarius and unleashes a plague of the hungry dead on a generation of the lost!

FROM THE ARCHIVES

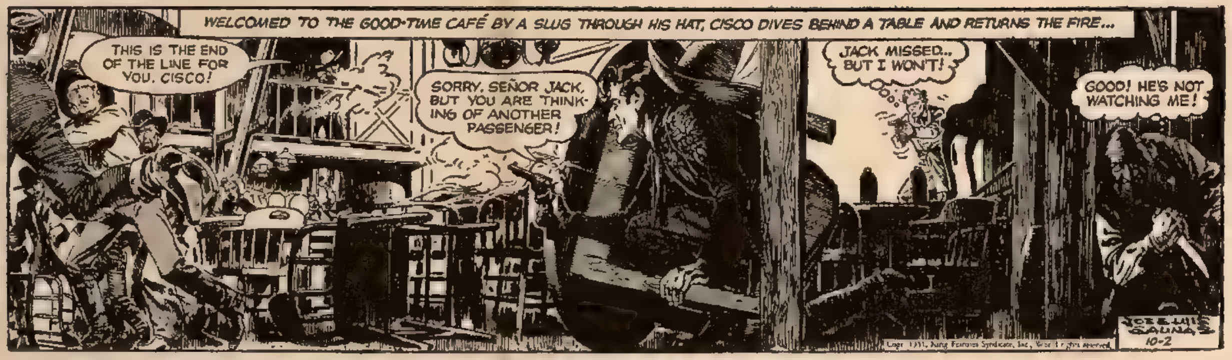
From The Archives: Comics Conservators!

What's old is new again. That statement is becoming more and more true each year as classic comic strip and comic book material is collected for a new generation of readers to enjoy. These are often more than mere reprints; original artwork is often sourced, cleaned up, and duplicated with state-of-the art software, for the best possible reproductions possible. This month, as we celebrate all of the great material emerging "From the Archives", we spoke with four folks on the frontline of bringing us that which is "old"… and making it "new" again!

CHARLES PELTO, PUBLISHER / CLASSIC COMICS PRESS

Please tell us a bit about yourself and your project!

Since 2006, with our initial project *Leonard Starr's Mary Perkins On Stage* (Vol. 1/ NOV121031), Classic Comics Press has been reprinting classic American comic strips such as Stan Drake's *The Heart of Juliet Jones*, Frank Godwin's *Rusty Riley*, and *Dondi* by Gus Edson and Irwin Hasen, and we're currently in the process of restoring and reprinting the entire 17-year (1951 to 1968) run of *The Cisco Kid* (Vol. 2/OCT131028) by Jose Luis Salinas.



WELCOMED TO THE GOOD-TIME CAFÉ BY A SLUG THROUGH HIS HAT, CISCO DIVES BEHIND A TABLE AND RETURNS THE FIRE...
THIS IS THE END OF THE LINE FOR YOU, CISCO!
SORRY, SEÑOR JACK, BUT YOU ARE THINKING OF ANOTHER PASSENGER!
JACK MISSED... BUT I WON'T!
GOOD! HE'S NOT WATCHING ME!
JOSE LUIS SALINAS 10-2

When selecting a project to be preserved in an archival edition what is your criteria?

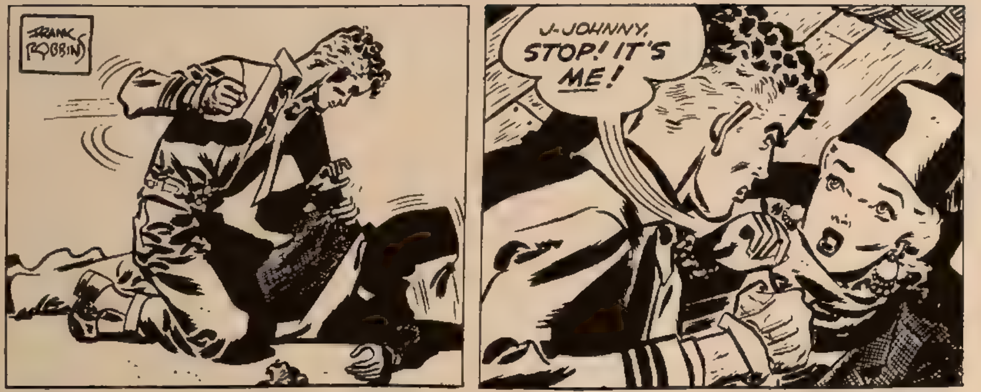
Classic Comics Press, working with syndicates, archival museums, and collectors around the world, strives to find the best possible source material for reprinting.

Did you source the original art for this project? If so, how hard was it to track down the materials?

No. With the help of a number of collectors in both the US, Europe and South America, Classic Comics Press has managed to rebuild the entire 18 year run of The Cisco Kid. The source material includes newspaper clippings as well as production proofs for numerous years.

Fifty years from now, when the editors of tomorrow are archiving today's comics, what are the three top titles you think they should consider?

The comic strips of the '50s to '70s are rapidly disappearing, and it is my hope that such comic strips classics as *Apartment 3-G*, *Friday Foster*, and *Robin Malone* are assembled and reprinted before they totally disappear.



DAN HERMAN, PUBLISHER / HERMES PRESS

Please tell us a bit about yourself and your project!

Hi, I'm Dan Herman, publisher of Hermes Press and we've been producing archival reprints since 2003. We started with Gil Kane and Ron Goulart's *Star Hawks*. Since that time we've reprinted *Buck Rogers* (MAY141448), *Roy Rogers: King of the Cowboys* (OCT101046), *Brenda Starr* (MAY111109), *Mike Hammer* (MAY121178), *Johnny Hazard*, George Wunder's *Terry and the Pirates*, Milton Caniff's *Male Call* and *The Phantom*. Hermes Press has also published art books on such noteworthy strip artists as Walt Kelly and Alex Raymond. We've also reprinted the comic book versions of *Pogo* (which actually started out in the four color world and then became a strip), *Steve Canyon*, *Brenda Starr* and *The Phantom* (the Gold Key, King and Charlton versions of "The Ghost Who Walks").

One of the projects that we're working on now, which is legitimately special — we've being searching for the material for a *long* time — is *Frank Robbins' Johnny Hazard Archival Sundays: 1944-1946* (JUL141289). Robbins' *Johnny Hazard* is one of the great underrated gems of comic strip history. His style, while reminiscent of Sickles and Caniff, is really uniquely his own and the stories are classic action/war/soldier-of-fortune material. The first two years of Sundays are a tour-de-force and we're reprinting them full size in their original tabloid format. This book will be the closest thing to holding the original tear-sheets, as with our *Phantom Sunday Archival Edition* (Vol. 1/SEP141466). The characters and stories in these Sundays are so well done they're timeless. These Sundays preserve a time, place, attitude, and point of view that's historically now considered to be a classic period for drama, the 1940s to 1950, and *Johnny Hazard* is clearly akin to the great films of this era. It's absolutely a must that material of this quality be preserved so it can be read and enjoyed by generations to come.

KEITH RICHARDSON, SR. GRAPHIC NOVELS EDITOR / REBELLION

Please tell us a bit about your project!

In August 1981 a deal was struck between IPC (who owned *2000 AD* at the time) and a British national newspaper tabloid called *The Daily Star*, to produce a *Judge Dredd* strip that would run in the newspaper every Saturday. That strip went on to run for over 16 years (changing from daily to weekly in 1986) and helped to establish *Judge Dredd* as a household name in Britain. We have started to collect up all of these strips in hardback trades titled *The Daily Dredds*(Vol. 1/SEP141584). So far there are two volumes with plans for a third in the near future.

When selecting a project to be preserved in an archival edition what is your criteria?

Ask any British *Judge Dredd* fan and they will tell you that the newspaper strips are amongst some of the best Dredd material ever published. They also appeal to people who read the strips in the paper and enjoyed them, but didn't necessarily want to go out and buy a comic book. There is material in both collections that has never been reprinted before outside of their original appearance in the paper.

Did you source the original art for this project? If so, how hard was it to track down the materials?

Without access to the newspaper archive we had to scan from old collections and reach out to our fans. It's a bit of an old cliché, but we really do have some of the best fans in the world. Many have spent thousands of pounds and loads of time seeking out some of these original strips, while many more still had old newspaper clippings that they had saved for years and kept in a really good condition. They have been invaluable in terms of getting this material out there again.

Fifty years from now, when the editors of tomorrow are archiving today's comics, what are the three top titles you think they should consider?

Three titles are not enough! Certainly all of *2000 AD* deserves to be archived — it *is* the "Galaxy's Greatest Comic" after all!

OCTAVIA BUTLER'S KINDRED: THE GRAPHIC NOVEL SC

(W) Octavia Butler, Damian Duffy
(A/CA) John Jennings
A graphic-novel adaptation of Octavia E. Butler's groundbreaking science-fiction classic offers an unflinching look at slavery, race, and the role of women in society. Butler's most celebrated, critically acclaimed work tells the story of Dana, a young black woman who is suddenly and inexplicably transported from her home in 1970s California to the pre-Civil War South. As she time-travels between worlds, one in which she is a free woman and one where she is part of her own complicated familial history on a southern plantation, she becomes frighteningly entangled in the lives of Rufus, a conflicted white slaveholder and one of Dana's own ancestors, and the many people who are enslaved by him. DOLLFACE #1

In the town of Boston, a witch-hunter lurks among the shadows, but this witch-hunter is like none you've ever seen. She is Lila, a 17th-century soul that has been transported into present time and into the body of a life-size, ball-jointed doll, created by a couple of MIT students trying to use technology and a 3D printer to create the perfect women.

Join in this super-sized debut issue and learn how she came to be known as DollFace, the ball-jointed witch hunter.

NEW SERIES!

Sin is a joke to Brandon Hull. Morality a crutch for the weak, laws mere tools to be abused. But when the corruption he scoffed at begins to manifest on his once-perfect body, Hull finds himself cast into a hidden world of unspeakable horror from which there is no escape. How can you be saved when the evil possessing you is your own soul?

Opening a jarring window on to a world of horror from the writer of *The Coffin*, *Firebreather* and *Deathstroke* and the Eisner Award-winning artist of *Ex Machina* and *Starman*.

E.V.I.L. HEROES TP

Recommended by Trevor Richardson

For anyone familiar with Zenescope Entertainment, E.V.I.L. Heroes feels like a departure, perhaps even an inspired departure, from their usual fare. For the past year or more, Zenescope has been doing a lot of great work to grow beyond their branding as "that Grimm's Fairy Tale publisher." With this new undertaking, written by one of the company's founders, Joe Brusha, the mythology of the superhero is viewed through the scope of the old adage "absolute power corrupts absolutely." These characters have powers, but they definitely aren't heroes. These superpowered baddies drop on society like a nuclear bomb, quickly toppling the world's governments, and establish themselves as absolute rulers and Earth's new gods. The normal folk are left with a choice – bow down and submit or resist and risk the destruction of the entire human race.

The book has great art by art by Eric J, Oscam Zamora, and Marco Lesko which manages to reference familiar Zenescope imagery while also paying an incendiary tribute to classic superhero iconography. More to the point, it feels as if Zenescope is saying they are no longer content to just be "that fairy tale publisher" by taking the superhero mythos, America's own original fairy tales, and turning it all on its head.

E.V.I.L. Heroes reads as a declaration of intent from a publisher that is ready to challenge the status quo – both of a genre and of their own image in the industry at large.

CLASSIC COMIC STRIP REPRINTS

THE COMPLETE CALVIN & HOBBES SLIPCASE EDITION

(W/A/CA) Bill Watterson

Calvin and Hobbes is unquestionably one of the most popular comic strips of all time. The imaginative world of a boy and his real-only-to-him tiger was first syndicated in 1985 and appeared in more than 2,400 newspapers when Bill Watterson retired on January 1, 1996. Composed of three hardcover, four-color volumes in a sturdy slipcase, this New York Times-bestselling edition includes all *Calvin and Hobbes* cartoons that ever appeared in syndication. This is the treasure that all *Calvin and Hobbes* fans seek.

The softcover edition reprints the run in four volumes; the hardcover edition reprints the strip in three. (STK516051) (C: 1-0-0) **NOTE:** Not available in the U.K. (May Purchase from U.K. Vendor)

O/A THE COMPLETE FAR SIDE SC SLIPCASED BOXED SET

(W/A/CA) Gary Larson

CLASSIC COMIC STRIP REPRINTS

Revered by its fans as the funniest, most original, most "What the ... ?"-inspiring cartoon ever, *The Complete Far Side* celebrates Larson's twisted, irreverent genius in this ultimate *Far Side* book. A masterpiece of comic brilliance, *The Complete Far Side* contains every *Far Side* cartoon ever syndicated presented in (more or less) chronological order by year of publication, with more than 1,100 that had never before appeared in a book. Also included are additional *Far Side* cartoons Larson created after his retirement. Actor, author, and comedian Steve Martin offers his sagacious thoughts in a foreword. (STK653540)

Steam Wars: First Empire #4

Story/Art: Joe Wight

The nations of Everos have fallen to the Crimson Empire. A young princess escapes into the Empty Oceans, a vast, frozen expanse where the Ancient Creatures once thrived. Something old and powerful calls to her, and she cannot disobey. There is a secret in the ice, and Princess Hana's destiny will be revealed.

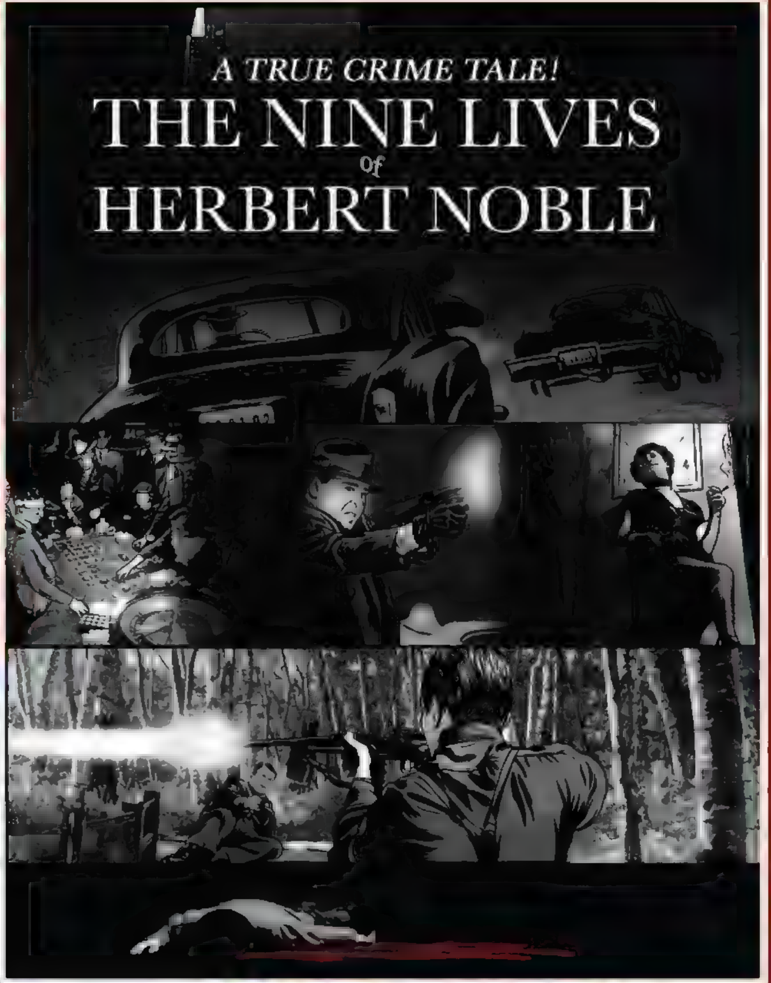
(full color, 32 pgs., $3.99 U.S.)

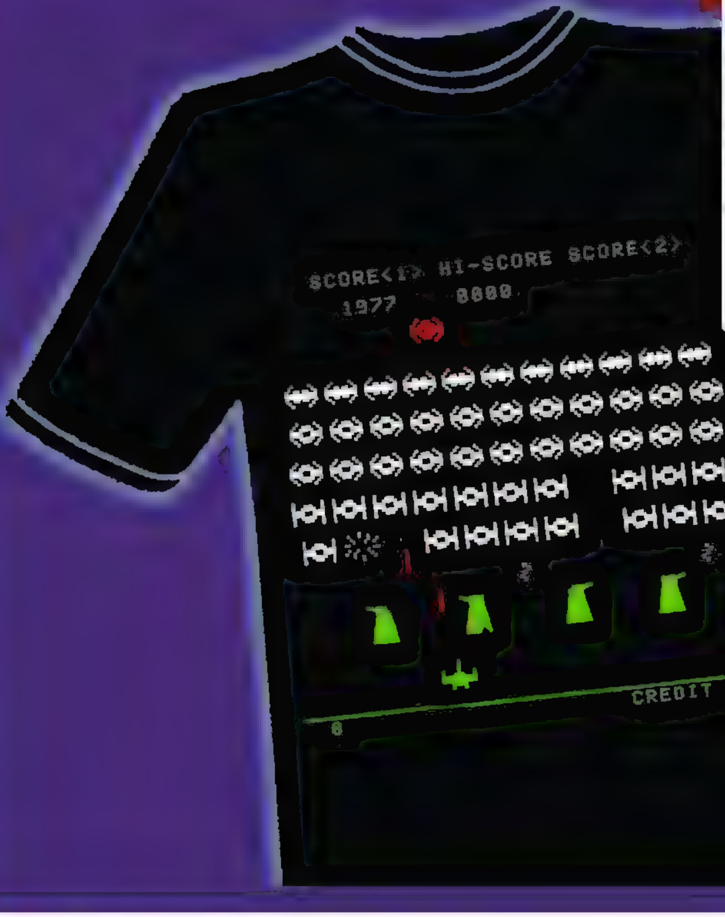
The 9 Lives of Herbert Noble

Story: Matt Spradlin
Artist: Hamza Muhammad

From 1931-1951, Dallas, Texas was a twenty-year-long Wild West show in which the city's most notorious gangsters and gamblers ran the town as they pleased. This is the true story of a few men who built empires and consolidated their power until the city could no longer tolerate their kind. Through the 1930s and '40s, Herbert Noble and Benny Binion rose from poverty to make their fortunes in gambling, prostitution, and narcotics distribution. The violence between these two rival gangsters became so bloody, one eventually had to escape the city... while the other had to die.

(one-shot, B&W, 32 pgs., $3.99 U.S.)





Darth Invaders T-shirt

If you ever find yourself in a Taito situation fighting your own extraterrestrial Battle of Midway, use the Force...of fashion! Trust your feelings...this shirt is awesome. Game systems. High scores. A Jedi craves not these things. But that doesn't mean he won't smoke the competition when he wipes the screen clear of pugnacious pixels! Whether you used to bullseye womp rats in your T-16 or bitmaps on your TI-99, this is the shirt for you! Knock the Mystery TIE into space and score bonus points! The Score is what gives a player his extra life...but only at 1000 or 1500 points. Getting high score ain't like dusting crops boy, but at least you're dressed the part in this shirt.

It's Jughead versus *all* of Riverdale in a race to the finish! A "video game go-kart race to the finish," that is. But it's still exciting. When Reggie convinces everyone to bet that the winner will be King For A Day and everyone has to do what he says, what could possibly go wrong? Well, "Reggie then winning that bet and being in charge of everyone" springs immediately to mind. **Spoiler Alert:** That is totally a thing that happens! There are a set of unspoken rules when it comes to dealing with Reggie Mantle. Rules that, when broken, can easily get you on his bad side. Unfortunately for most of the people Reggie encounters, they don't know these rules. In fact, there's only one person that does — and it isn't a person at all, it's Reggie's devoted Dachshund, Vader. With half of Riverdale High School having committed the mortal sin of ditching a Mantle house party, Archie and Betty's attempts at interfering in Reggie's life, Midge actually pitying Reggie, and a friendship request from someone very unexpected, Reggie and Vader are going to have to get a lot smarter about their schemes! THE WORLD OF MAGIC AND TECHNOLOGY HAVE FINALLY COLLIDED!

A new cast of characters has risen. Cassidy, a young high school student with a very big secret, will discover that magic is not only real-but will change her life forever in ways she never could've imagined. Meanwhile, Miya, the ancient warrior from the earliest days of the Soulfire Universe, has returned with a vengeance--and both of their paths will be inextricably united! Explore the world of Michael Turner's Soulfire as you've never seen it before!

Brought to you by New York Times Best-Selling author J.T. Krul (DC's Bloodlines, Jirni), with art by superstar artist Alex Konat (DC's Gotham Gazette:Batman, Fathom), and colorist Federico Blee (Jirni), this thrilling new series in the Soulfire Universe is not to be missed!

ETERNAL SOULFIRE Vol 1 TPB is in stores January 25th, 2017!

MR, Color, 32pp, Monthly

About: Kieron Gillen's Uber: Invasion is here! America's formerly unassailable shores are burning, the White House is a scorch mark, and the Nazi war machine is rolling over the world. The horror of global war is intensified a thousand times over as living weapons with more power than atomic bombs level everything in sight. World War II is dangerously close to wiping out the human race and the Allies have all but been broken. Is there a way to turn back the tide against a German onslaught that seems to be a step ahead of everyone in the creation of Ubers and their deployment? Available with Regular, Wraparound, War Crimes, and Blitzkrieg covers by series artist Daniel Gete, a painted Propaganda Poster cover, and a limited VIP Premium cover by Gabriel Andrade that is limited to 500 copies!

About: The future world of Alan Moore's evolved Crossed saga takes another leap forward as Crossed: Wish You Were Here scribe, Simon Spurrier, catapults Future Taylor five more years into the uncertain future. The world has continued to change as the Crossed have developed their own alien culture and grand plan. Towns continue to fall and suspicions about infiltrators are at an all-time high. But when Future finds an infected baby and decides to keep it alive, she begins to see another side to the snapping, snarling, fury that is innate within the Crossed. This volume collects issues #13-18 of Crossed +100.

About: War tears everyone apart. As British forces fight their way through Tunisia in the spring of 1943, Royal Air Force pilot Robin Whittaker meets Captain Antonio Valenzano, his Italian opposite number- and prisoner of war. Antonio's life binds mystery and tragedy in a conundrum that will haunt both men, but the war may well devour them long before the answers come. Part one of The Flower of My Heart, by Garth Ennis and Tomas Aira. Available with Regular, Wraparound Covers by Thomas Aria, Good Girl Nose Art and Battle Damage Premium Covers by Matt Martin.

KILLING MARS #3

(W) Jeffrey Kaufman (A) Frederico Zumel (CA) Franchesco

Jacob Mars's problems continue as he and Laura, the psychotic redhead contract killer, have to run The Gauntlet in Thailand. Basically, one of Asia's largest gang has agreed to allow Mars and Laura to fight for Jacob's life by having to survive a run through an alley littered with murders. It's not something he will be able to joke his way out of. This third issue will continue to make readers crazy as they try to figure out what happens next. (STL029588)

A gentrified city. Its homeless population restricted to six square blocks called The Dregs. When people start disappearing, a drug-addled homeless man obsessed with detective fiction becomes addicted to solving the mystery. Equal parts Raymond Chandler and Don Quixote set in a thriving metropolis that literally cannibalizes the homeless, THE DREGS is the first homeless meta noir ever made.

- When King Mancastle and his mighty vassals ride off on crusade, the women left behind are not at all put out—that's a lot less armor polishing for them to do. Of course, when the men get themselves eaten by a dragon and leave a curse that attracts monsters to the castle...well, the women take umbrage with that.
- Now the blacksmith's wife Merinor is King, Princess Aeve is the Captain, and the only remaining (and least capable) knight Sir Riddick is tasked with teaching the ladies of the castle how to fight, defend, build, and do all manner of noisy things the men had been doing while the women assumed they were just drunk.
- Novelist Delilah S. Dawson *(Star Wars: The Perfect Weapon, As Wicked as She Wants, Wake of Vultures)* brings her first original series to comics, and is joined by breakthrough illustrator Ashley A. Woods *(Niobe: She Is Life)* for a rollicking fantasy adventure featuring women reclaiming their lives on their terms.

MR, Color, 48 pages, Monthly

About: Hell won the eternal struggle long ago, and has been secretly ruling humanity ever since. With Hellina as their ultra-powerful enforcer, it seems nothing can change that. But even greater plans for final domination are made, and as the forces of Heaven catch wind, they have no choice but to make a valiant effort to turn the tide. All the holy warriors, the angelic forces, have been snuffed out or defeated. The burden falls to Yael, an angelic warrior who has seen the horrors of war for hundreds of years. Not hung up by concepts like right and wrong, she has to earn victory, for the greater good, by any means. So she sets about gathering the worst together for the best of reasons. Those that are unforgiving, unredeemed, unapologetic, and undefeated. They are the UNHOLY.

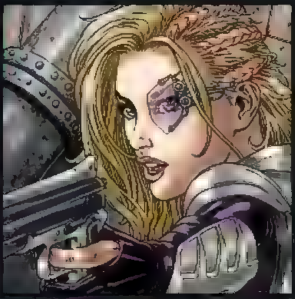
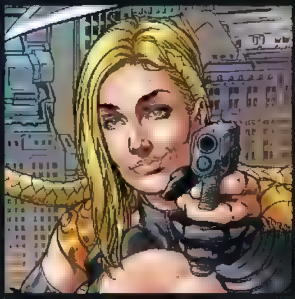
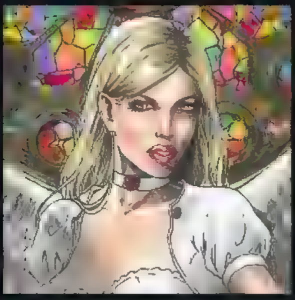
WHO ARE THE UNHOLY?



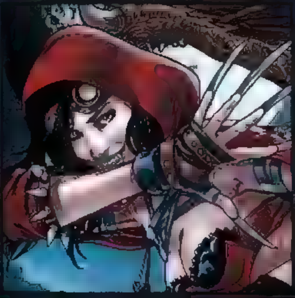
ONYX A sultry and cold blooded assassin-for-hire with a zeal for killing. She's the only human to have committed Seraphacide—she killed an Angel. Despite that atrocity in the eyes of Heaven, on whose side would they rather have her fighting? Onyx has an arsenal of weapons and equipment tailor made to kill anything supernatural and she uses them frighteningly well.



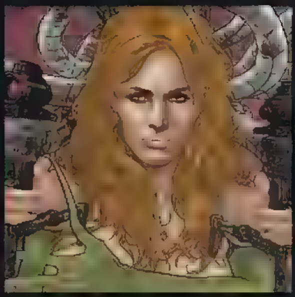
ARGENT She's been imbued through unnatural bloodlines with an inhuman ability to control her living hair. She uses her weaponized braids as lethal instruments of death and also has the uncanny talent of rendering people physiologically haywire with her stare. She's playing this game for now, but is secretly seeking revenge for the death of her family.



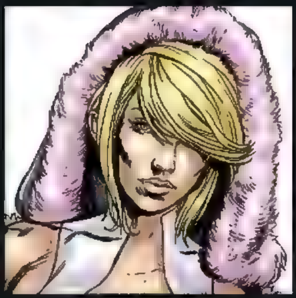
CHRISTINE A young woman devoted to god and church her whole life, she has her world torn apart when she finds out that her pastor father is a key figure in Hell's ultimate plans. She's been genetically manipulated from inception, fused with both angelic and demonic traits, to make her a vessel for Hell's grand finale!



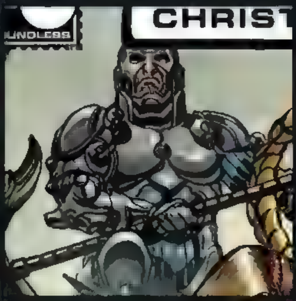
RHAPSODY Torn between worlds, she was a feisty human goth girl fated to ascend as an Angel at time of her death. But she was ripped from that destiny by the Ravening turning her vampire. Trapped between lives she struggles with her pure heart birth-righted to heaven and her yearning for human blood forced on her by the Ravening.



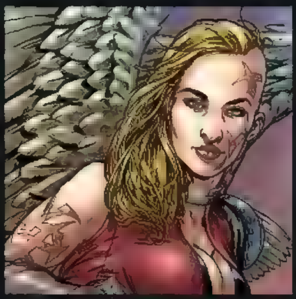
WEBWITCH Her psyche is already pulled between two worlds, the humans and the Spider-Nation alien race, now she gets forcibly yanked into a new dimension! Dropped in the middle of the ages old war between heaven and hell, she begrudgingly joins the Unholy in their crusade.



TWILIGHT The daughter of the God Zeus, who centuries ago was captured by her uncle Hades as leverage in a disastrous feud with Zeus. That fight ended with Twilight forgotten and entombed. Now she's been discovered and if they can free her, that legendary power is exactly what the UnHoly need to take on Hellina.



PURSUER On a quest to end the scourge of the Ravening, his immortal blood has seen him wage war over the millennia. But he has been fighting a losing battle, and hopes to turn the tide with new allies. He's also fallen in love with Yael and will do anything she asks.



YAEL A veteran Angel of death who fought in the original war in Heaven when Lucifer tried to overthrow God. Strong and hardened by the unending battles, she is obsessed with setting things right and bringing down Hell. She is ready to do whatever it takes, no matter the cost, which makes her the perfect leader to bring together the UnHoly.

BLAKE & MORTIMER VOLUME 23: THE TESTAMENT OF WILLIAM S. GN

(W) Yves Sente, Andre Jullard (A) Bob De Moor, Andre Jullard
(CA) Bob De Moor, Andre Juillart

A fascinating investigation on the most famous playwright in history! In Venice, a boating accident leads to the discovery of a 400 year old text bearing the signature "W.S." and promising the truth about the "Shakespeare mystery." That very night, someone tries unsuccessfully to steal the precious document. The discoverer, Marquis Stefano Da Spiri, decides to send a copy of the document to a specialist of the Bard in London for stylistic authentication. As for the original, he entrusts it to an old comrade in arms from WW2: Captain Francis Blake! (STL029382) (C: 1-1-0) **NOTE:** Not available in Germany.

LUCKY LUKE VOLUME 62: THE CURSED RANCH TP

(W) Jean Leturgie & Various
(A/CA) Morris

When oil suddenly gushes from the ground in Whitney, it makes prospectors very happy, but not the inhabitants, for a pestilential smell soon covers the small town. Abandoning her home, Whitney's elder Miss Bluemarket moves to Smithville with her three pets — three adult buffaloes. Her search for a new home makes her easy prey for unscrupulous estate agents, and soon she finds herself owning a property whose mere name has the locals shaking in their boots: the Bates ranch! THE RIFT #1

Recommended by Jay Spence

It's not the first time Kansas has been the nexus of strange activity in comics but this January, a new bizarre and "alien" phenomena is crash landing in "the wheat state" from Red 5 Comics. This time, however, the significant part isn't where it came from but, when.

The Rift refers to the tear in space-time that unexpectedly opens up and allows a sole American fighter pilot to coincidentally fly through and crash land in present-day Kansas. When a mother and son witness the crash, they help Lieutenant Cole, escape his fiery wreck and he's understandably confused to find himself 75 years in the future. For Cole, it's been only seconds since he last battled the Japanese fighter planes but, for the rest of us, his recent battle in World War II is now only a distant memory. While the mother, son, and Cole all struggle to comprehend the odd "time travel" event, a shadowy scientific organization has tracked the rift event and they are swiftly closing in on Cole. According to the scientists tracking Cole, the rift poses a far greater threat to our world than just a man "lost" in time.

I love a good time-travel story so I'm always ready to try a book like this, but it's the quality of the story that keeps a series going and writers Richard Raynor and Don Handfield are crafting an engaging story that leaves readers eager to find out what's next.

"I couldn't be more honored and humbled to have been asked to do a story with one of the icons of the comic universe. I'm not gonna lie -- tackling one of Maestro Will Eisner's most famous creations and following in the steps of my dearest friends Darwyn Cooke and Matt Wagner is not gonna be an easy task, but I'll make sure my love for the character, for those legendary creators, and for the medium will show. And I hope readers will be along with me on this new ride. Thanks again Eisner Estate and Dynamite Comics for inviting me to Central City - I think I'm gonna like living here for a bit. :)."

A series of unexpected disappearances and deaths hit Central City.

Initially these cases seem purely unrelated: no apparent connection between the victims makes it easy for the police to just file them as runaways or natural deaths. But when someone close to Ebony White disappears, The Spirit is on the case!

COLLECTS ISSUES 1-10 AND FEATURES SKETCHES & DESIGNS BY MARK DOS SANTOS!!

Acclaimed graphic novelist Garth Ennis (Preacher, The Boys) explores the highs and lows of love! Thrill-seeking Valerie's been getting dirty phone calls, but when she goes to take revenge on the pervert responsible, she meets Myles, the man of her dreams. Of course, Myles is a gentlemanly hitman who just executed said pervert, and while that's a turn-on for Valerie, she unwittingly becomes a target for several unsavory types... including the gangster Mister Monsta. Meanwhile, Valerie's sister has her hands full with her boyfriend Marv, whose kinky fixations have just become painfully apparent. Meanwhile, Marv's friends launch a dubious scheme to get rich... leading the gang on a collision course with Myles' employer. Love blossoms while bullets fly, in a wildly irreverent romantic farce that only Garth Ennis could tell!

Masters of Spanish Comic Book Art is a celebration of the great artists who revolutionized horror comics in the 1970s with their work on Warren's Vampirella, Creepy, and Eerie horror comics. This first-ever comprehensive history of Spanish comic books and Spanish comic artists reveals their extraordinary success -- not just in Spain and America, but around the world. Containing artwork from over 80 artists, this in-depth retrospective includes profiles of such legends as Esteban Maroto, Sanjulian, Jose Gonzalez, Jordi Bernet, Enrich, Victor De La Fuente, Jose Ortiz and Luis Garcia Mozos. With 500 illustrations, over half scanned directly from the original artwork, Masters Of Spanish Comic Book Art honors the "Golden Generation" whose artwork inspired the imagination of comic book lovers everywhere.

COLLECTS ISSUES BLOOD QUEEN #1-6, BLOOD QUEEN VS. DRACULA #1-4, AND BLOODQUEEN ANNUAL 2014!

The reign of blood begins! Dynamite Entertainment proudly presents the complete saga of the Blood Queen, a dark fantasy reimagining of the infamous historical figure, Countess Elizabeth Bathory. When the king's daughter suffers from a terrible and mysterious malady, Elizabeth -- a young woman of untold power -- is summoned to cure the ailment. Thus begins a journey that will uncover secrets, reveal forbidden desires, and stoke the fires of war! When the smoke clears, one woman may rise to power, ruling through fear and blood sacrifice... but power may prove fleeting, as the Prince of Darkness himself, Dracula, sets his fearsome gaze on her sinister beauty! Collects Blood Queen #1-6, the complete four-issue Blood Queen vs. Dracula series, and the Blood Queen 2014 Annual.

THE ABOMINABLE MR. SEABROOK SC

(W/A/CA) Joe Ollmann

Journalist and travel writer William Buehler Seabrook was willing to go deeper than any outsider had before, participating in voodoo ceremonies, riding camels cross the Sahara desert, communing with cannibals and most notably, popularizing the term "zombie" in the West. A string of his best-selling books show an engaged, sympathetic gentleman hoping to share these strange, hidden delights with the rest of the world. But, of course, there was a dark side. Seabrook was a barely functioning alcoholic who was deeply obsessed with bondage and the so-called mystical properties of pain and degradation. What led the popular and vivid writer to such a sad state? (STL029505)

MID-LIFE GN

(W/A/CA) Joe Ollmann

Mid-Life is the story of John, who at 40 becomes a father again with his much younger second wife, which results in a slow, painful attack by flowered baby bags and front-facing baby carriers on his former virility and self-identity. John always believed that age is a state of mind; however, his adult daughters, baby son, energetic wife, stressful job, house full of cats, and flabby body — complete with bloated stomach and sagging bosom — all lead John reluctantly to admit that he is having a mid-life crisis. CLASSIC COMIC STRIP REPRINTS

WALT & SKEEZIX VOLUME 6: 1931-1932 HC

(W/A) Frank King (CA) Chris Ware

The *Gasoline Alley* gang enters a new decade with this volume: Skeezix moves from childhood to early adolescence and the high spirits of the 1920s give way to the Great Depression of the 1930s. Walt and Phyllis Wallet travel to England, an extended tour that echoes the real life journey taken by cartoonist Frank King and his family in the late 1920s. While his parents are away, Skeezix tries to solve the mystery of an arsonist. Now entering his teens, Skeezix comes to the fore of the strip as an adventurous boy surrounded by a gang of likeminded pals, and Gasoline Alley becomes an influential pillar of teenage-culture. THE MLJ COMPANION SC

Recommended by Steve Leaf

I don't know why I have a fondness for the Golden Age and the comic book characters of that era, but I think it began with GB Love's *Illustrated Comic Book Collector's Handbook*. There I became aware of characters like The Black Hood, Steel Sterling, The Comet and many others in what was part of MLJ Publications.

In Twomorrows Publishing's *MLJ Companion* there is so much about the history and pre-history of the company responsible for the first patriotic superhero The Shield, The Hangman, the teen comics with the introduction of Archie, The Fly, and Private Strong and the start of the Mighty Crusaders, and even turning The Shadow into a super hero.

If you began reading comics in the Sixties, you will find info about the Simon & Kirby series like The Fly which introduced a young Neal Adams to comic readers, while also showcasing creators like Larry Ivie, Al Williamson, and Jack Davis among others. As the Direct Market grew, so did Archie's foray back into superheroes with the advent of the Red Circle line.

With a new *Riverdale* television series due on the CW, I guess you could say "Everything Archie," but it's not the only thing as you read about the rich history that came before and after Archie.

As they say, MLJ all the way!

(W) Marissa Meyer
(A/CA) Doug Holgate
In her first graphic novel, bestselling author Marissa Meyer extends the world of the *Lunar Chronicles* with a brand-new, action-packed story about Iko, the android with a heart of (mechanized) gold. When rogue packs of wolf-hybrid soldiers threaten the tenuous peace alliance between Earth and Luna, Iko takes it upon herself to hunt down the soldiers' leader. She is soon working with a handsome royal guard who forces her to question everything she knows about love, loyalty, and her own humanity. (STL029001) (C: 0-1-0)

ZONZO

By Joan Cornellá

$14.99 / HC / 56 pgs / FC / 6.5 x 9.5

Following the success of Joan Cornellà's first book, the viciously funny *Mox Nox*, *Zonzo* continues the tradition with 50 all-new strips of smiling psychopaths (human and anthropomorphic) and (often-literal) side-splitting farce. Cornellà's humor mixes the absurdist comedy of Michael Kupperman with transgressive, political incorrectness.

STARSEEDS

By Charles Glaubitz

$29.99 / HC / 240 pgs / FC / 7.5 x 10

Multimedia artist Charles Glaubitz's first graphic novel is a work of myth and cosmology that combines religion, and spirituality with comics, sci-fi, alchemy and science. *Starseeds* fits in perfectly with artists such as Matthew Barney, Trenton Doyle Hancock, Gary Panter, Marcel Dzama, and Ernesto Caivano — in other words, work that is epic, mythological, fantastical, enigmatic, and visually arresting.

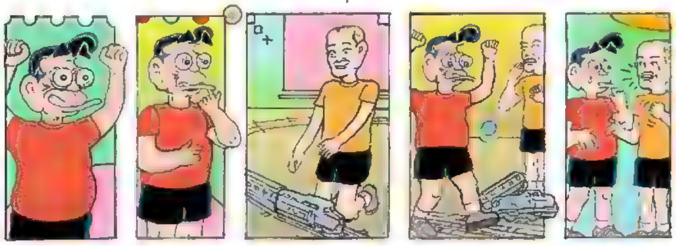
FARMER NED'S COMICS BARN

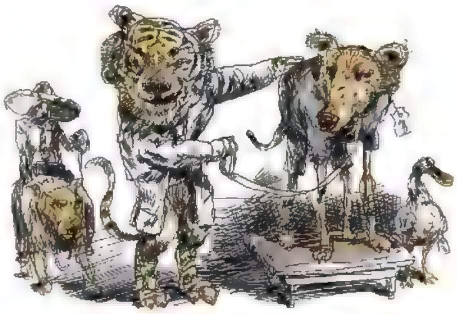
DIRECT MARKET EXCLUSIVE!

by Gerald Jablonski

$30.00 / SC / 100 pgs / FC / 9″ x 13″

Finally, what the world has been waiting for — a big, oversized collection of Gerald Jabolonski's psychedelically underground, absurdly avant-garde comics! Jablonski has been comics' best-kept secret for decades, telling the tales of imposter ants, bear-faced grumps, and stoic farmers with pun-laden word balloons that wildly snake around the page. This book also includes a discussion with Gary Groth, the artist's first interview in print. Jablonski belongs in the ingeniously baffling auteur pantheon with John Cage, James Joyce, and Andy Warhol. Yes, you read that right.





JOHN CUNEO
NOT WAVING BUT DRAWING

NOT WAVING BUT DRAWING

DIRECT MARKET EXCLUSIVE!

by John Cuneo

$25.00 / SC / 64 pgs / FC / 10″ x 11″

You know John Cuneo from his award-winning illustrations that have graced the pages of *Esquire* or the covers of *The New Yorker*, but less known is the over-the-top and hilariously perverse cartoons that fill the pages of *Not Waving But Drawing*. Assembling Cuneo's best privately drawn sketchbook pages, each page immediately introduces us to unique takes on sex and domestic life in his signature squiggly style. *Not Waving But Drawing* is full of dark thoughts, lightly rendered.

$26.99 / SC / 256 pgs / PC / 5.9 x 8

Totalling more than 200 pages, *Red Red Rock* collects over a dozen of Hayashi Seiichi's most famous stories from his most prolific period, spanning his debut for Garo in 1967 to his adult work for Yagy in the early '70s.

THE ARTIST
Anna Haifisch

THE ARTIST

By Anna Haifisch

$19.99 / HC / 64 pgs / FC / 6.5″ x 8.7″

Anna Haifisch's idiosyncratic graphic novel chronicles the experiences of a young artist, satirising the exclusive and frequently absurd world of fine art. Plagued by doubts and anxiety, the artist is confronted with constant setbacks punctuated by occasional, surprising glimpses of recognition. Based on Haifisch's own experiences as an illustrator, *The Artist's* sharp and self-deprecating observations resonate with the current generation, especially those who make art.

COLLECTING ISSUES 1-10 OF THE CRITICALLY ACCLAIMED HIT SERIES IN THIS INCREDIBLE OMNIBUS!

Leaping from the pages of the *DEVI/WITCHBLADE* crossover event in January, Graphic India is now re-releasing the hit series for a new generation of readers with a cover by acclaimed artist JENNY FRISON! From filmmaker, Shekhar Kapur *(Elizabeth, Elizabeth: The Golden Age, The Four Feathers)* comes DEVI, the warrior goddess of divine myth.

Tara Mehta, an unsuspecting young woman in the futuristic city, Sitapur, India, is the new Devi. She has no idea that she is about to become the centerpiece of a divine battle between the Gods of Light and the demon lord Bala. Devi is a story about a young woman battling for survival in a landscape of ancient legends, duty and fate. Where will she fall? Between the Divine and the Diabolical there is Devi.

"Devi is the smartest and most imaginative comic on the subject of Goddess-hood since Alan Moore's Promethea." - *ComicCritique.com*

To celebrate the 80th anniversary of the first masked hero of the comics, The Phantom, Hermes Press presents the first definitive survey of all of the major artists whose work brought the character and the comic strips and comic books to life. Prefaced by a definitive essay, which chronicles the birth of the feature, this book offers rarely seen early original artwork by Ray Moore and Wilson McCoy. This deluxe art book additionally offers chapters on the artists who have worked on the strip from its beginning in 1936 to the present with numerous examples of original artwork, specialty pieces, and unpublished artwork. *The Art of the Phantom* also covers artists from all over the world who have worked on feature including Australia, Italy, and Scandinavia. THE PHANTOM: THE COMPLETE DAILIES VOLUME 11: 1951-1953 HC
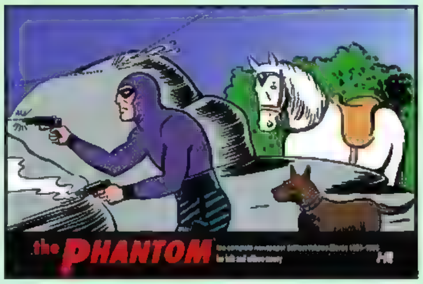
(W) Lee Falk
(A/CA) Wilson McCoy



FROM THE ARCHIVES

The critically acclaimed, best-selling complete reprint of *The Phantom* dailies continues! *The Phantom* was created in 1936 by Lee Falk with artwork by Ray Moore, well before the Dark Knight or Superman made their first appearances. The Phantom set the standard for action, adventure, intrigue, and romance in adventure comic strips and comic books; it has frequently been copied but never equaled. Included in this volume are seven complete continuities, reprinted for the first time in their entirety, "The Governor's Family," "The Professor," and "The Jungle Patrol," "Bobo the Toy Dog," "The Great Ajax," "The Toad Men," and "The Lady from Nowhere." Strips are taken directly from King Feature's proofs. (STL022314) (C: 0-0-1)

FROM THE ARCHIVES

Before Fredric Wertham and *The Seduction of the Innocent*, drug stores and newsstands boasted a plethora of delights highlighted by the good girl adventures of the comic book version of Brenda Starr. These four-color wonders displayed good girls, bondage, a little torture, and other exciting things. For the first time in over fifty years comics fans can read and own these rare comics from another era. In addition to presenting all of the *Brenda Starr* stories these reprints also boast all of the scintillating back up features found in these books as well. (STK526078)

FAIRY TAIL VOLUME 58 GN

(W/A/CA) Hiro Mashima

Lucy is an attractive mage-in-training who wants to join a magician's guild so that she can become a full-fledged magician. The guild she dreams about joining is the most famous in the world, and it is known as the Fairy Tail. One day she meets Natsu, a boy raised by a Dragon who mysteriously left him when he was young. Natsu has devoted his life to finding his Dragon father. When Natsu helps Lucy out of a tricky situation, she discovers that he is a member of the Fairy Tail magician's guild, and our heroes' adventure together begins. FORGET ME NOT VOLUME 6 GN

(W) Mag Hsu (A/CA) Nao Emoto

Serizawa is a twentysomething working at a divorce attorney's office. Walking home from work one day, he gets into an accident, and a woman carries him to an ambulance. Later, at the hospital, still bleary, he receives a phone call from the woman who saved his life. This person knows intimate details about him, but he's not sure who it is. Serizawa's gentle personality has drawn lots of girls to him since his childhood, but he's far from perfect. Was it someone he loved and lost? Or perhaps someone he wronged, to whom he failed to make amends? (STL028391) (C: 1-1-0) **NOTE:** Not available in the UK, Australia, Singapore or the Philippines.

THE GHOST IN THE SHELL DELUXE RTL EDITION HC

(W/A/CA) Shirow Masamune

This deluxe edition will mark the first time the book has been published in its original Japanese right-to-left format in English. Supervised by the creator, this will be the definitive edition of *The Ghost in the Shell*. Deep into the twenty-first century, the line between man and machine has been blurred as humans rely on the enhancement of mechanical implants and robots are upgraded with human tissue. In this rapidly converging landscape, cyborg superagent Major Motoko Kusanagi is charged to track down the craftiest and most dangerous terrorists and cybercriminals, including "ghost hackers" who are capable of exploiting the human/machine interface and reprogramming humans to become puppets to carry out the hackers' criminal ends. THE GHOST IN THE SHELL VOLUME 1 MOVIE TIE-IN EDITION GN

(W/A/CA) Shirow Masamune

The movie tie-in edition of the previously published version of the manga, in a left-to-right American-style reading format, with a cover featuring Scarlett Johansson. Following World Wars III and IV a Japanese-led Asian block dominates the world. A key element in the maintenance of the block's position is the elite Japanese security police, the SHELL task force. To give them an edge in their ruthless battles against terrorist groups, most of the force have had extensive cybernetic transplants that have left them only questionably human. This is an exciting and skillful work that realistically probes uses of artificial intelligence and "direct interfacing" with machines, and which questions where mankind's technological and medical progress will lead. OCTAVIA BUTLER'S KINDRED GN

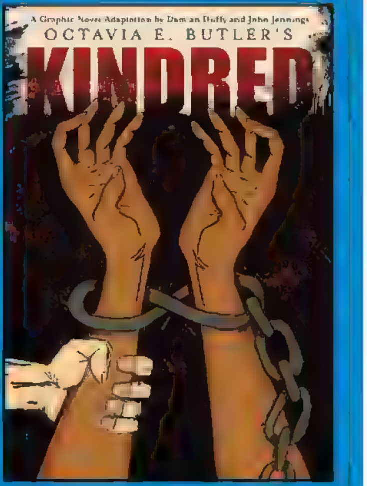
Recommended by Sarah Martinez



A Graphic Novel Adaptation by Damian Duffy and John Jennings
OCTAVIA E. BUTLER'S
KINDRED

Any science fiction aficionado will recognize Octavia Butler's name. She pioneered new "norms" in speculative fiction with her minority and female protagonists. Her concepts were groundbreaking and her writer's voice unparalleled both for complex world-building and individual characterization. Countless awards and a lifetime's work later, you and I, gentle readers, are about to see her work made available in a whole new format. After nearly four decades since its first prose publication, Kindred, Butler's award-winning cross-generational science fiction odyssey, debuts this month as a graphic novel adaptation. Comic fans, we are so lucky!

Dana, an *African-American* woman of the modern era, repeatedly time-travels against her will to the plantation owned by her great-great-grandfather. Via these mysterious teleportations, Dana repeatedly rescues her white great-grandfather Rufus over the span of his life, always appearing when he needs her most. When he is a child, saving him is easy and gratifying, even if her method of travel is sudden and terrifying. As her ancestor ages, his troubles become more complex and his attitudes and assumptions are often hateful or degrading. Dana continues to save Rufus, knowing that until her own grandmother is conceived and born, she must keep her great-grandfather alive or she will cease to exist.

Butler's narrative casts a broad light on the evils of slavery to be sure, but more importantly, it brings out subtle shadows in the entirely human cast of characters both white and black. Further, and perhaps even more vividly, are the contrasts between historical and modern perspectives. Where these points of view meet and influence one another, the results yield understanding, healing, and hope.

Sci-fi super-star humanizes history with temporal travel, tackling tough topics with a tender touch!

During prohibition, gangsters grew rich on our vices, and rivalries between criminal organizations resulted in open war. But unknown to the masses, a more sinister power controlled the crime cartels, using greed, gluttony, lust and other sins to fuel a more lucrative trade: mortal souls. Enter Eddie, a mortal who lost his soul long ago. Caught in the middle of competing demonic families, any other human would've gotten the ax long ago. But Eddie's got a special talent that keeps him on his feet. One man's curse is another man's gift.

"This is an absolutely terrific book. Tough guys, mobsters, and demons from hell. A bluesy, bitter mood and a fascinating, mysterious world."

136 Pages, $9.99! NEW 9" x 6" FORMAT, RELEASE DATE: **03/15/17**

The Case of the Team Spirit introduces readers to Jack, Linton, Sonny, Shauna, Charlotte, and Mildred: six kids navigating the treacherous waters of school and adolescence while also exploring the strange mysteries that abound in their peculiar English town of Tackleford.

Jack, Linton, and Sonny look for cures to their football club's unexplainable woes, while Shauna, Charlotte, and Mildred try to find a way for compassion and justice to triumph in the face of die-hard sports fanaticism. But all of them should probably be more concerned with keeping on the good side of their history teacher, Mr. Bough. That is, if he has a good side...

"Allison is a triple threat: he plots deftly, draws confidently, and writes dead-on dialouge... Dark, fast-paced, and riotously, funny entertainment."

Secret Path is a ten song album by Gord Downie with a graphic novel by illustrator Jeff Lemire that tells the story of Chanie "Charlie" Wenjack, a twelve-year-old boy who died in flight from the Cecilia Jeffrey Indian Residential School fifty years ago. Chanie, misnamed Charlie by his teachers, died on October 22, 1966, walking the railroad tracks trying to escape from the Cecilia Jeffrey Indian Residential School to return to his home 400 miles away. He didn't know where it was, nor how to find it, but, like so many kids he tried. *Secret Path* acknowledges a dark part of Canada's history, the long suppressed mistreatment of Indigenous children and families by the residential school system, with the hope of starting the country on a road to reconciliation. UNDERWORLD BLOOD WARS (ONE SHOT)

Recommended by Jonathan McKinney

The battle between Vampire and Lycan rages on in *Underworld: Blood Wars*, a new comic one shot coming in 2017 from Darkstorm Comics. Kevin Grevioux, creator of the Underworld franchise, makes his return to comics to expand on the stories featured in the fifth installment of the film series.

The Underworld franchise has solidified its place in modern cinema as the go-to for epic monster stories. Betrayed by the Vampires and hunted by the Lycans, Selene finds herself on the run yet again with no clear path for escape. Her long-standing fight with the Lycans reaches a tipping point, as the werewolves find a new leader determined to do anything that will give them the upper hand. This time they are after her blood, convinced that it will make the Lycans invincible.

The war is far from over, and the feud between Lycan and Vampire only grows stronger. Find out what happens in this can't-miss story!

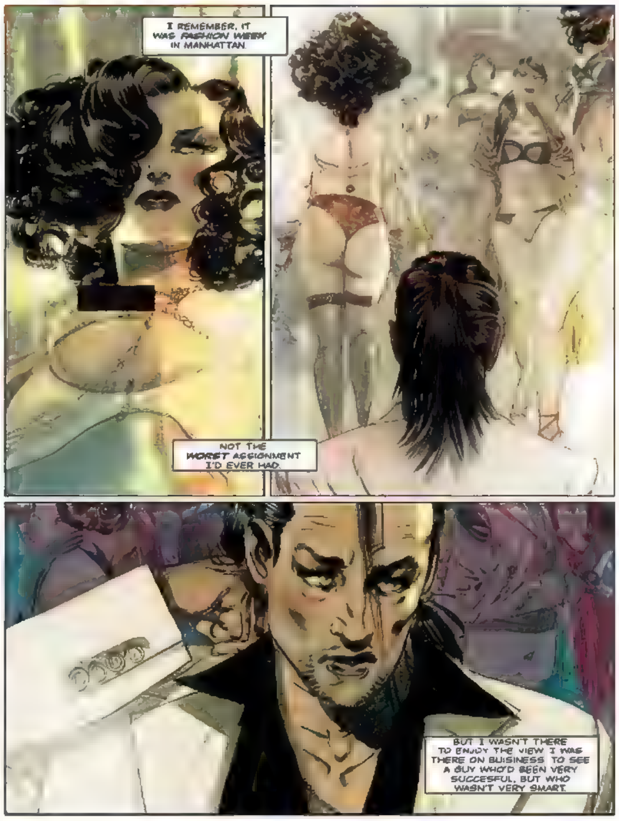
EXCUSES.
EVERYBODY'S GOT ONE FOR EVERYTHING. EVERYTHING THAT GOES WRONG, EVERYTHING THEY FUCK UP EVERYTHING THAT FUCKS THEM UP. I'M NO DIFFERENT.
BUT EXCUSES ARE WORTHLESS THEY DON'T CHANGE ANYTHING MAYBE I DESERVED WHAT HAPPENED TO ME



I REMEMBER, IT WAS *FASHION WEEK* IN MANHATTAN.
NOT THE *WORST* ASSIGNMENT I'D EVER HAD.
BUT I WASN'T THERE TO ENJOY THE VIEW. I WAS THERE ON BUSINESS. TO SEE A GUY WHO'D BEEN VERY SUCCESFUL, BUT WHO WASN'T VERY SMART.

Don't hate. Assassinate. In the near future, the gun industry has finally managed to justify the existence of firearms in mainstream society...by secretly lobbying to make assassination legal.

There is an assassin's guild, guidelines and an assassin's honor code that should be followed. But don't let that fool you. At entry level, it's about as glamorous as delivering pizzas. Doyle and Abby are two low-level hired guns trying to make it big in the world of professional assassins.

THE STUFF OF LEGEND VOLUME V: A CALL TO ARMS PART 1

(W) Mike Raicht, Brian Smith
(A/CA) Charles Paul Wilson

The *New York Times* best-selling series returns in its fifth, penultimate volume! The boy's toy friends are scattered across The Dark. Uncertain of where to turn or who to trust, the heroes are in a life and death struggle to save themselves as they search for the boy. Maxwell the Bear, Scout, and Monty are trapped within Storyplace attempting to retrieve a weapon powerful enough to defeat The Boogeyman. Unfortunately, The Dark does not believe in Happily Ever Afters. The recently freed Butcher and his league of villains have taken control of this once peaceful town. Will anyone survive their dark brand of revisionist storytelling? (STL030359)

TREVOR HAIRSINE

(*X-MEN: DEADLY GENESIS*)

Cold world war!

Welcome to the year 2017...where the Soviet Union has spent decades as the the world's reigning superpower and the Iron Curtain now encircles a planet riddled with war, strife, and oppression. Freedom is a thing of the past in the Stalinverse... So why can't Russian intelligence officer Colin King shake the feeling that something has gone terribly wrong? He'll put his freedom and life on the line to uncover the truth... Even if that means finding out whatever happened to the long-missing cosmonaut Abram Adams - the one man who just might hold the key to unraveling the dystopian world of today...

This is no alternate reality... This is the Valiant Universe as we know it and, soon, New York Times best-selling writer Matt Kindt (4001 A.D.) and blockbuster artist Trevor Hairsine (DIVINITY II) will lead Valiant's event-level epic to the architect behind this new world order!

X-O MANOWAR SMASHES THE STALINVERSE!

FROM ACCLAIMED WRITER
JOE HARRIS
(SNOWFALL)
AND SUPERSTAR ARTIST
DAVID LAFUENTE
(ULTIMATE SPIDER-MAN)

Out of DIVINITY III: STALINVERSE, Valiant's leading legend - the unstoppable X -O MANOWAR - becomes the supreme fighting force of the CCCP in the next essential special ripped from the pages of the the winter's visionary comics events!

From bustling urban centers to the collective farms of the countryside, men, women, and children alike all idolize the same hero of the global Soviet republic: ARIC, SON OF THE REVOLUTION! Returned to Earth from the stars with the ultimate nuclear deterrent - the indestructible X-O Manowar armor - the champion of socialism has singlehandedly consolidated the state's military and political superiority at home and abroad. But when a surprise attack from a little-known enemy shines an untoward light on the modern-day Soviet Union's darkest secret, will Aric pursue his mission...or justice for the quiet dead of an empire's oppression?

The Valiant Universe as we now know it continues to reveal itself...as acclaimed writer Joe Harris (Snowfall) and superstar artist David Lafuente (Ultimate Spider-Man) present a star-shattering tale of sins, secrets, and tragedy for the global hero of the worldwide Communist state!

Master Darque has returned! The sadistic lord of death and resurrection is once again free to inflict his will upon a wounded world... But to bring Darque down, Ninjak will have to call upon his deadly foes in the Shadow Seven... Now, as Colin King scours the globe in search of the Seven's mystic adepts, Ninjak will become the only man that can prevent a clash of dark powers with the potential to ignite Armageddon itself!

Everything has led to this... Out of the ashes of BOOK OF DEATH, Ninjak and Master Darque will collide in a punishing circle of death, destruction and hellfire! Join New York Times best-selling writer Matt Kindt (DIVINITY III: STALINVERSE) and blistering artist Marc Laming (Planet Hulk) here for a steel-hardened jumping-on point that will leave Valiant's seven-time Harvey Award-nominated series forever scarred!!

FAITH FIGHTS BACK!

FROM HARVEY AWARD-NOMINATED WRITER

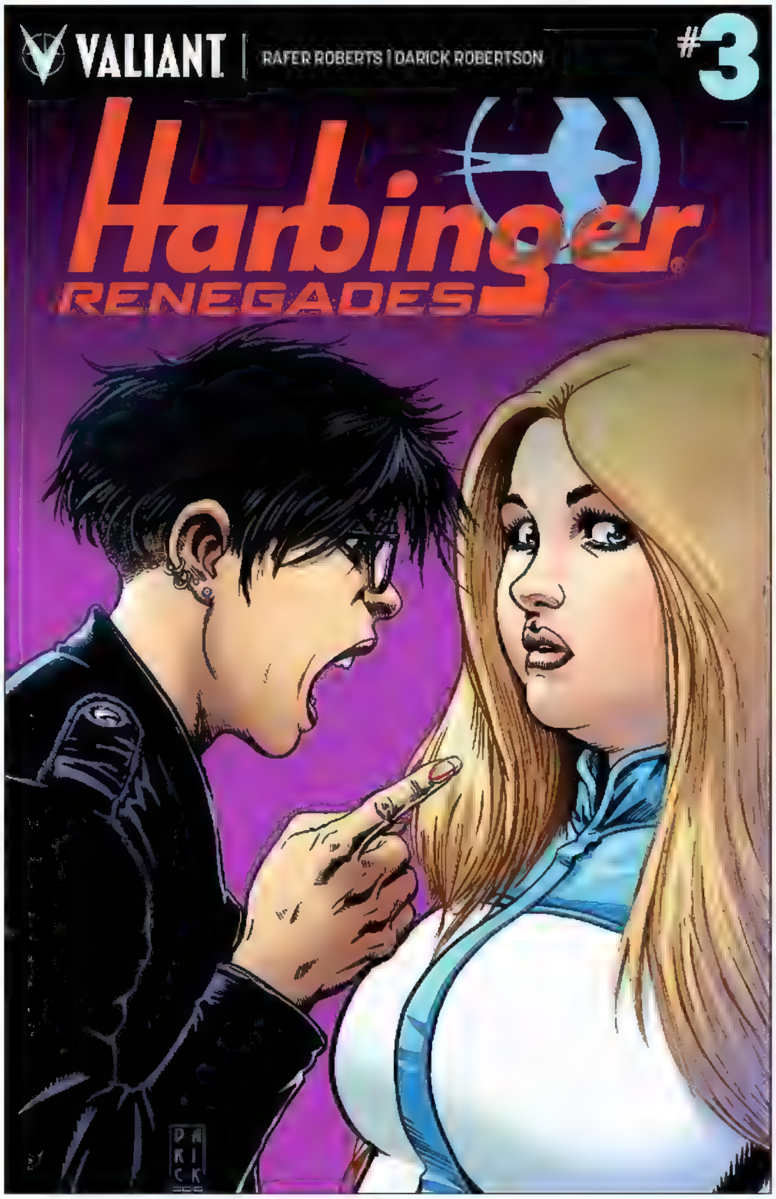
RAFER ROBERTS

(*A&A: THE ADVENTURES OF ARCHER & ARMSTRONG*)

AND SUPERSTAR ARTIST

DARICK ROBERTSON

(*THE BOYS, WOLVERINE*)



Mind games!

Reunited, but once again torn from the lives they'd carefully rebuilt, the Harbinger Renegades have found themselves attacked on all sides by a vicious new enemy - a radicalized army of psiot zealots determined to bring the system down by any means necessary. Can this band of former friends become the fighters they once were, or will they succumb to the temptation of a new power that's more vicious than anything they've ever faced before? With Torque and Faith in mortal jeopardy, Peter Stanchek and Kris Hathaway must put the past behind them...and embrace their chosen destiny in what lies ahead.

Join Harvey Award-nominated writer Rafer Roberts (A&A: THE ADVENTURES OF ARCHER & ARMSTRONG) and superstar artist Darick Robertson (*The Boys*) as they push the most dangerous superhero team in comics past the point of no return...and bring them roaring towards revolution!

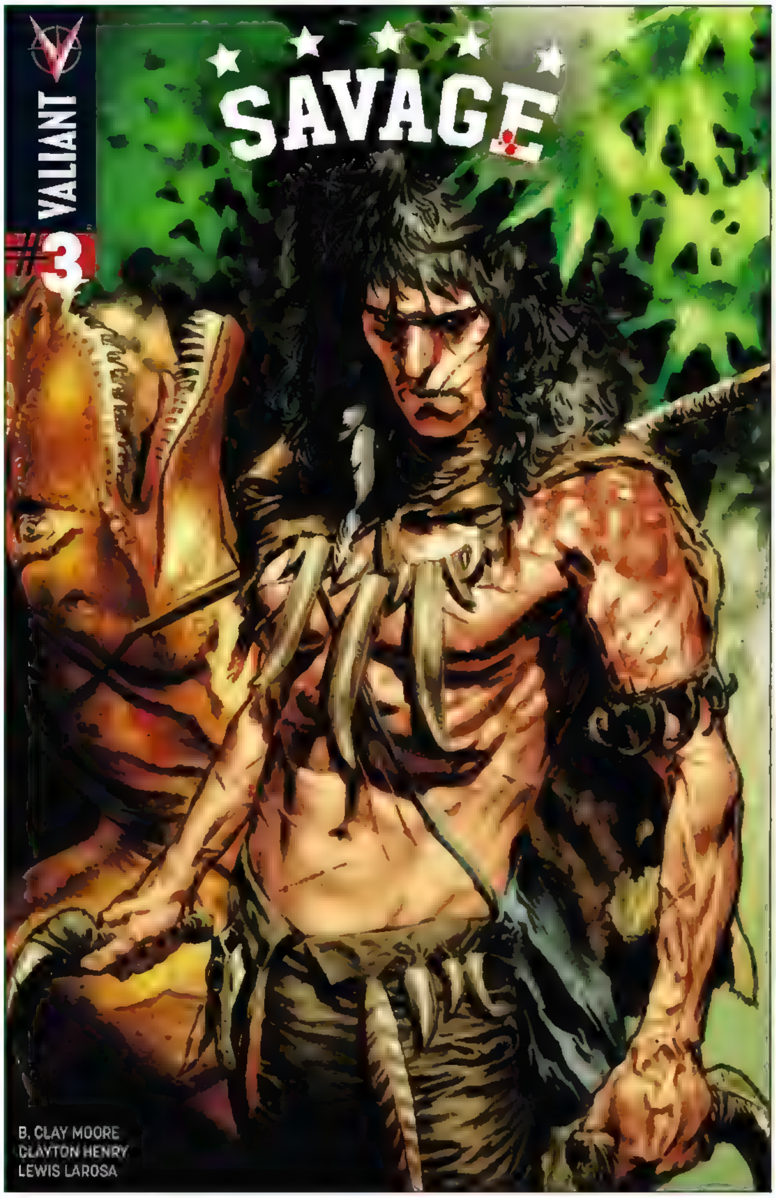
(BLOODSHOT REBORN)



Learning to claw!

On a mysterious island seemingly untouched by time, order is about to give way to instinct. Stranded with no hope of rescue, the Sauvage family must sacrifice the people they once were...and embrace the animals within! But as prehistoric monsters stalk them at every turn, will their newfound bestialness be enough to ensure survival, or will they be forever trapped at the bottom of the food chain? And when tragedy befalls the once close-knit family, will their last tether to humanity be severed once and for all?

Valiant's latest prestige-format epic slashes its way forward as acclaimed writer B. Clay Moore and luminary artists Clayton Henry (HARBINGER WARS) and Lewis LaRosa (BLOODSHOT REBORN) continue the hard-hitting origin to Valiant's next great hero and begin his greatest trial yet!

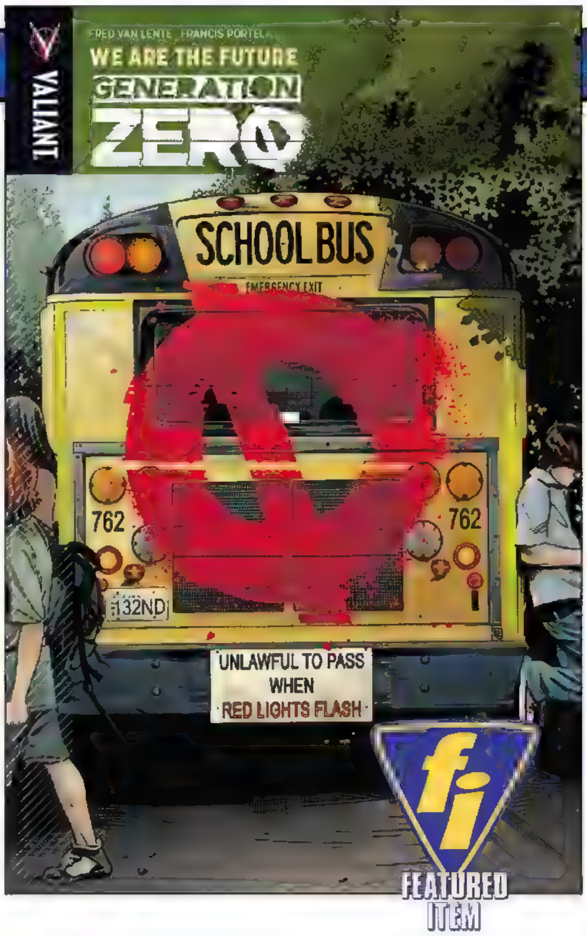
GENERATION ZERO VOL. 1: WE ARE THE FUTURE TPB



Ready... Set... Riot!

Years ago, the children of the experimental strike team known as Generation Zero were taken from their families by Project Rising Spirit, a private weapons contractor, and raised to be psychic soldiers. After years of taking orders, they have fought for and won their freedom. Now, the world's most wanted teenagers have pledged to protect each other tooth and claw, while using their extraordinary abilities to right wrongs for a generation without a future... To fight for kids, just like them.

One of those kids is Keisha Sherman, whose boyfriend just turned up dead after a suspicious car crash in Rook, Michigan - a newly booming tech town that sprang from rags to super-riches seemingly overnight. When Keisha makes a desperate plea into her webcam, the local high school suddenly finds itself with several unusual new students... But as word of Generation Zero's presence spreads rapidly through the halls, this volatile band of teenage upstarts is about to discover that they're far from the most extraordinary thing lurking behind Rook's stainless-steel facade...

New York Times best-selling writer Fred Van Lente (ARCHER & ARMSTRONG, *Amazing Spider-Man*) and blockbuster artist Francis Portela (FAITH) launch four highly specialized superhuman soldiers into their most dangerous mission yet: high school!

IMMORTAL HOUNDS VOLUME 3 GN

(W/A/CA) Ryoh Yasohachi

The English language debut of up-and-coming talen Ryoh Yasohachi is a modern sci-fi tale of the power and consequences of love in a world full of immortals. Everyone is an immortal. There are no doctors or hospitals. Cemetaries are things of the past; some consider them to be legends or myths. But with immortality comes consequences, like the loss of some of humanities greatest gifts...including love. There are those who understand that and choose to die for the ability to experience such emotions again. The government is determined to erradicate those who take that path, however. NICHIJOU VOLUME 6 GN

(W/A/CA) Keiichi Arawi

A witty surreal all-ages manga which revolves around the day-to-day lives of the young inhabitants of Tokisadame-city. Funny and heartwarming, Nichijou is a humorous look at modern day Japanese life in comic form. Set in a strange school where you may see the principal wrestle a deer or a robot's arm hide a rollcake the days that transpire through the course of Nichijou are curious and hilarious, if not downright bizzare. However admist all the chaos and comedy Arawi still takes time to share everyday slice of life stories giving readers an insight to modern Japanese youth culture. MEGA MAN BOARD GAME

STAGE SELECT
PRESS START

Recommended by Matthew Demory

I am absolutely positive that I spent more money as a kid renting some of the classic 8-bit *Mega Man* games than it would have taken to buy them. Back then I didn't have the money to buy every game I wanted outright, but spending a few bucks every weekend to rent a game was a good alternative. Playing as the Blue Bomber, blasting through stages, trashing enemy Robot Masters, and absorbing their powers until I came face-to-face with Dr. Wily was extremely addicting and kept me busy for hours.

Now, as an adult, I've managed to collect the majority of the series and with Keiji Inafune's departure from Capcom, I thought my *Mega Man* collection was as complete as it was going to get. Then I saw the Mega Man board game from Jasco.

The game faithfully recreates the spirit of the classic 8-bit series that many of us grew up with. Up to six players compete to clear stages and defeat robot masters. Once players have defeated two robot masters, you can then move on to Dr. Wily's stage and work to defeat the game's iconic end boss. The twist of the game is that while you are playing to clear a stage your fellow players can control enemy minions and robot masters to take away precious hit points or extra lives!

If you're a fan of the classic video game series like I am, be sure to grab some friends, some spare energy tanks, and pick up the *Mega Man Board Game* from Jasco!

One hundred and fifty years ago in Kyoto, with the coming of the American "Black Ships," there arose a warrior who, felling men with his bloodstained blade, gained the name hitokiri, or Manslayer! His killer blade helped close the turbulent Bakumatsu era and slashed open the progressive Meiji period. Then he vanished and, with the flow of years, became legend. This is his tale of redemption.

WHAT IS THIS?

Rurouni Kenshin, a work of historical fiction taking place against the backdrop of the Meiji Restoration, is one of the most legendary series from *Weekly Shonen Jump* and was also one of the most popular anime and manga properties worldwide. This classic series is now being rereleased in the popular 3-in-1 format for a whole new generation to enjoy.

Few places have seen more death and despair than West Virginia Penitentiary. Closed in 1995, it should have stayed that way forever but someone saw fit to reopen it, and now strange forces seem to be claiming more lives. Even the Spirit Hunters team may not be able to stop this prison's reign of terror.

Britney's team is sent to the middle of the ocean to look for a missing top secret military vessel. The very fate of the Highborn Initiative depends on obtaining the ship's precious cargo before it falls into enemy hands or sinks into the deep. But the waters of the Atlantic are cold, endless and filled with terrors to test the stoutest of souls. And that's no fisherman's tale!

With great power... comes great corruption. Superheroes are real. They walk the earth as gods among men. But the fairy tales of them protecting mankind and being heroes were all lies. Humans have become their slaves, fit only to serve their super-powered masters. But in man the nature of the true hero still survives...and one group rises up to challenge their self-appointed masters. Can they hope to succeed or will their opposition only push mankind closer to extinction? *Collects E.V.I.L Heroes #1 – 6.*

While candy-colored pin-up may be popular with some, this is a collection of dark, sexy images that truly reflect the sophisticated side of the pinup genre. Seemingly ripped from the men's magazines of yesteryear, these photos are so authentic looking down to the smallest detail as if they were actually taken decades ago. Bullet bras, seamed stockings, high heels, and girdles bursting at the seams! Leave the cutesy stuff behind. Internationally published photographer Mark Anthony Lacy specializes in bringing out the allure and sensuality of his female subjects. He combines his backgrounds in art, architecture, film, and photography to create incredibly authentic vintage tableaus in his New York studio. (STL027984) (C: 0-1-0)

MATCHBOX TOYS SC

(W) Nick Jones

Matchbox Toys were ubiquitous items for children across the Western world. Originally labelled Christmas-cracker trash by retailers and shopkeepers, the small-scale 1-75 series soon began to see unprecedented worldwide sales in the 1950s. Smaller and cheaper than most of its competitors' toys, Matchbox models were also far more accurately modeled. In this beautifully illustrated book, Matchbox collector Nick Jones tells the story of Matchbox and its most famous toys, from the Coronation Coach to the Batmobile, and complements the story with beautiful, previously unpublished photographs. THE BRITISH INVASION!: ALAN MOORE, NEIL GAIMAN, GRANT MORRISON AND THE INVENTION OF THE MODERN COMIC WRITER SC

(W) Greg Carpenter

Moore. Gaiman. Morrison. They came from Northampton, West Sussex, and Glasgow, and even though they spoke with different dialects, they gave American comics a new voice, one loud and clear enough to speak to the postmodern world. Like a triple-helix strand of some advanced form of DNA, their careers have remained irrevocably intertwined. Taken individually, their professional histories provide an incomplete picture of the British Invasion, but together they redefined the concept of what it means to be a comic book writer. Collectively, their story becomes the story of mainstream comics in the modern era. It's the story you're about to read. (STL028282)

Underground, in the labyrinth of ancient tunnels and mine shafts, Lilly Caul and her motley crew of senior citizens, misfits, and children struggle to build a new life. Way out in the hinterlands, the psychotic Reverend Jeremiah Garlitz rebuilds his army of followers with a diabolical secret weapon. He has designs on the destruction of Lilly and her crew and now, for the first time, he has the means to bring a special brand of hell down upon the tunnel dwellers. The final confrontation between these two human factions unleashes an unthinkable weapon — forged from the monstrous hordes of undead, perfected by a madman, and soaked in the blood of innocents. MARVEL'S BLACK WIDOW: FROM SPY TO SUPERHERO SC

(W) Sherry Ginn

First appearing in Marvel Comics in the 1960s, Natasha Romanoff, a.k.a. Black Widow, was introduced to movie audiences in *Iron Man 2* (2010). Her character has grown in popularity with subsequent Marvel films, and fans have been vocal about wanting to see Black Widow in a titular role. Romanoff has potent appeal: a strong female character who is not defined by her looks or her romantic relationships, with the skill set of a veteran spyfirst for the KGB, then for S.H.I.E.L.D. This collection of new essays is the first to examine Black Widow and her development, from Cold War era comics to the Marvel Cinematic Universe. (STL029084) (C: 0-1-0)

Movie Comics is the first book to study the long history of both comics-to-film and film-to-comics adaptations, covering everything from silent films starring Happy Hooligan to sound films and serials featuring Dick Tracy and Superman to comic books starring John Wayne, Gene Autry, Bob Hope, Abbott & Costello, Alan Ladd, and Dean Martin and Jerry Lewis. With a special focus on the Classical Hollywood era, Blair Davis investigates the factors that spurred this media convergence, as the film and comics industries joined forces to expand the reach of their various brands. He also tracks the artistic coevolution of films and comics, considering the many formal elements that each medium adopted and adapted from the other. (STL027985)

75 YEARS OF MARVEL: FROM THE GOLDEN AGE TO THE SILVER SCREEN HC

(W) Roy Thomas (A) Various

From the very first issue of *Marvel Comics* in 1939, Marvel created a universe grounded in a world that readers recognize as close to their own, brimming with humor and heartache. This audacious approach launched the creation of heroes who have since become household names — Spider-Man, The Incredible Hulk, the Fantastic Four, Iron Man, the Avengers, Thor, the X-Men, the list goes on. TASCHEN presents a *magnum opus* of the influential comic book publisher. This book delves into the heart of thousands of costumed characters who continue to fight the good fight in comics, movies, and toy aisles of the world. (STK648817)

The single most comprehensive book on the subject, this volume traces DC Comics's first decades, from its pulp origins up to the comic book burnings of the McCarthy '50s in over 400 pages bursting with comics, art, photographs, and more comics. The first in a new series, expanded from the Eisner Award-winning book, *75 Years of DC Comics*, hits the shelf at a reader friendly size with essays updated by author Paul Levitz and over 1,000 new images across five volumes. Featuring a new interview with legendary artist Joe Kubert. (STK473412)

THE SILVER AGE OF DC COMICS 1956-1970 HC

(W) Paul Levitz

(A) Neal Adams, Carmine Infantino

With super heroes nearly extinct at the start of the 1950s, DC Comics reignited the fire that would make them central to modern popular culture by infusing them with science fiction elements. DC's writers and editors spun ever-more fantastic tales, bringing super heroes and Bob Hope alike into the realm of sci-fi. The results were transformative, delivering the first-ever "reboot" of Golden Age greats with the Flash, Green Lantern, and Hawkman as well as the hit TV show *Batman*. *The Silver Age of DC Comics* chronicles it all. Plus, a new exclusive interview with *Green Lantern/Batman* artist Neal Adams! (STK530248)

(W) Paul Levitz, Dennis O'Neil
(A) Neal Adams, Carmine Infantino
(CA) Neal Adams

With an undeniable mass appeal, Christopher Reeve's *Superman* cemented the role of the superhero as America's most enduring archetype, and the comic book as one of the country's most significant native art forms. That art form, however, was already moving in a new direction. Influenced by the emergence of underground comics and shifting political tides, DC's line of comics was increasingly aimed at adults. Socially relevant subjects such as drug addiction, racism, and women's rights had entered the mainstream, and comics weren't just for kids anymore. *The Bronze Age of DC Comics* includes an original interview with *Green Lantern/Green Arrow* writer Denny O'Neil. TORCHWOOD: OUTBREAK AUDIO CD

(W) Guy Adams & Various
(CA) Lee Binding
Starring John Barrowman, Eve Myles, and Gareth David-Lloyd. A special full-cast epic adventure for the *Torchwood* team. A medical trial's gone terribly wrong, and one of the test subjects is loose on the streets of Cardiff. Within hours a virus is raging out of control and the bodies start piling up. The Government scrambles to control the outbreak, but isn't too keen on anyone finding out the dark history of the virus. Captain Jack Harkness has encountered the infection before and knows that something alien is hiding inside it. With the city sealed off and murderous mobs raging through the streets, Torchwood has to save something even more important than the human race. (STL028090) (C: 0-1-0)

THE MORAL NARRATIVES OF HAYAO MIYAZAKI SC

(W) Eric Reinders

Widely regarded as Japan's greatest animated director, Hayao Miyazaki creates films lauded for vibrant characters and meaningful narrative themes. Examining the messages of his 10 full-length films, from *Nausicaä* (1984) to *The Wind Rises* (2013), this study analyzes each for its religious, philosophical and ethical implications. Miyazaki's work addresses a coherent set of human concerns, including adolescence, good and evil, our relationship to the past, our place in the natural order, and the problems of living in a complex and ambiguous world. Exhibiting religious influences without religious endorsement, his films enjoin nonjudgment and perseverance in everyday life. (STL029077) (C: 0-1-0)

MASTERS OF SKETCHING SC

Explore the tried-and-tested techniques of 20 exceptional illustrators for capturing ideas in *Masters of Sketching*. Sketching has been used by generations of artists as a way of quickly capturing something they see, working out concepts, or planning a final composition. They are generally not used as a final rendered image. We have gathered together twenty "Master" sketchers who have taken sketching to the next level. They will take you, step-by-step, through their process, sharing their creative insight along the way. *Masters of Sketching* is an outstanding collection of useful tutorials and inspiring images. PULP HEROES

THE SHADOW DOUBLE NOVEL VOLUME 114 SC

(W) Maxwell Grant & Various
(A) Tom Lovell, Edd Cartier
(CA) George Rozen

Alone and unaided, The Shadow wages a solo war on crime in two thrilling pulp novels by Walter B. Gibson. First, the Knight of Darkness investigates a murder ring whose victims die twice, first in real life followed by a "Death by Proxy." Then, the police assume a million-dollar crime to be a simple bank robbery, but The Shadow knows there is a hidden secret behind the "Loot of Death." This double novel pulp reprint showcases the original color pulp covers by George Rozen and the classic interior illustrations by Tom Lovell and Edd Cartier, with historical commentary by Will Murray. I AM JIM HENSON HC

(W) Brad Meltzer (A/CA) Chris Eliopoulos

The eleventh book in this inspiring, *New York Times*-bestselling biography series features an unusual hero from the entertainment world who will be familiar to children and parents: the creator of the Muppets. This friendly, fun biography series focuses on the traits that made our heroes great, the traits that kids can aspire to in order to live heroically themselves. Jim Henson, for example, was always dreaming up something new, and always expressing his belief in the goodness of people. Henson was a born performer with a terrific sense of humor, and he used those talents to help create two of the most beloved programs in television history: *The Muppet Show* and *Sesame Street*. Through his Muppets, Jim showed the world that there's nothing more beautiful than imagination, especially when it's accompanied by laughter and kindness. (STL029064) (C: 0-1-0)

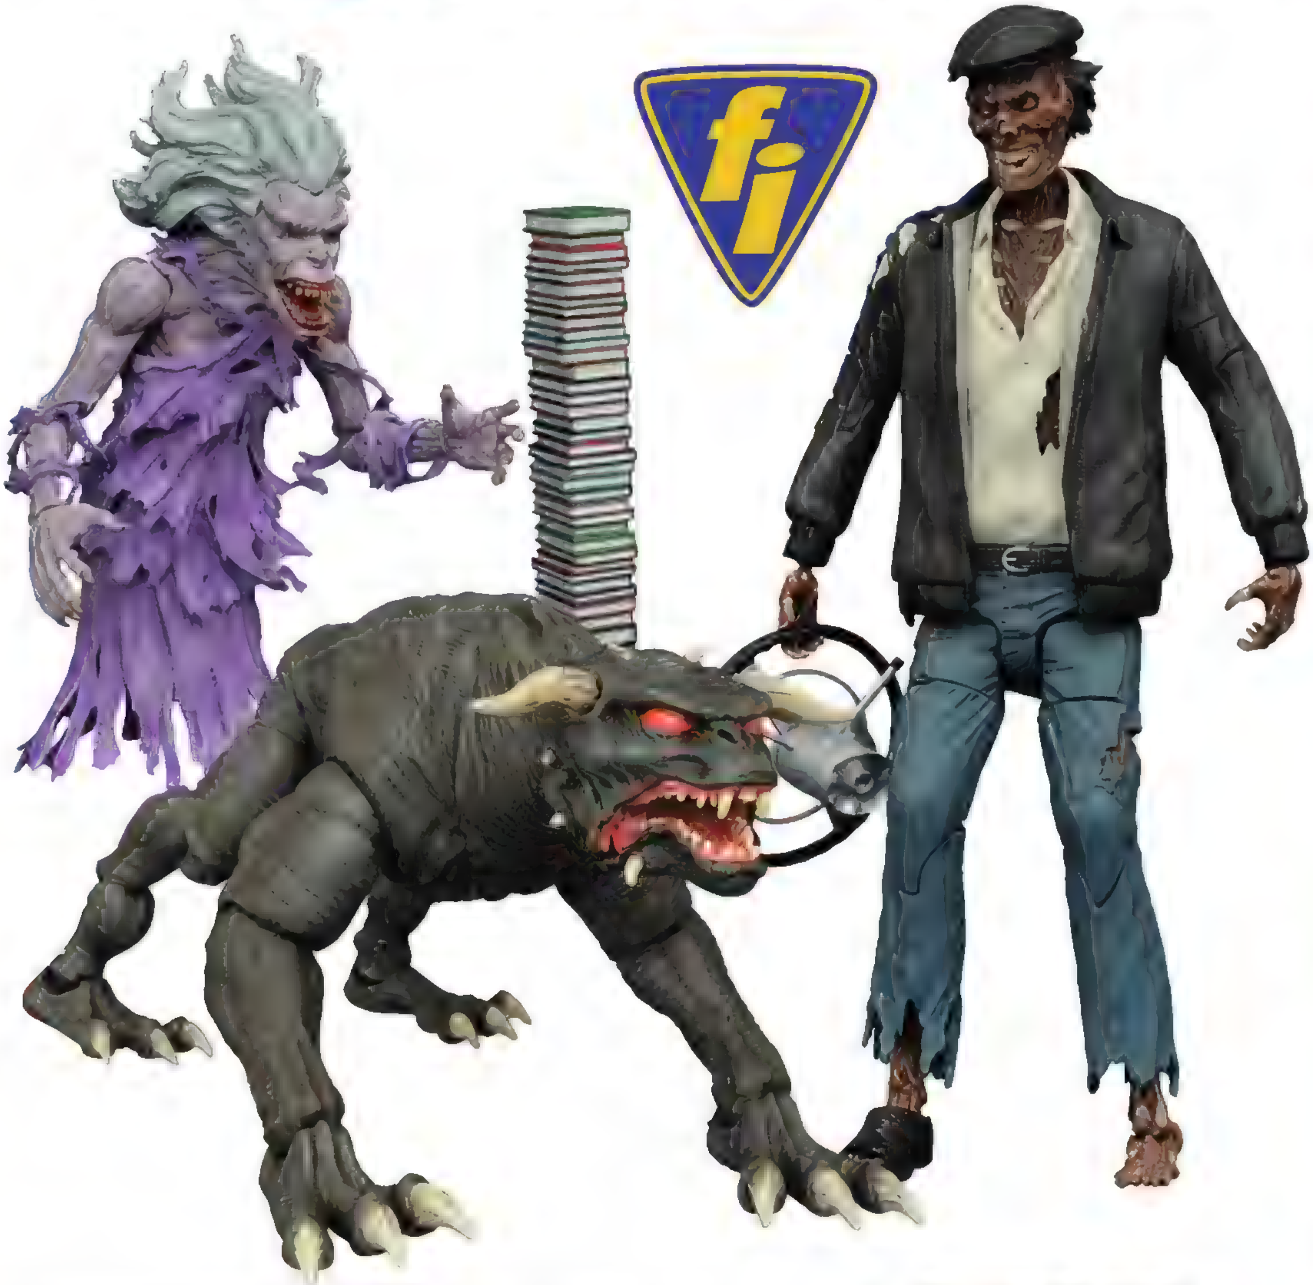
GHOSTBUSTERS



Ghostbusters Select Action Figures Series 5 Asst.

A Diamond Select Toys release! Anybody seen any ghosts? The hit toy line based on the horror-comedy classic movie Ghostbusters is back with a fifth series of action figures, and this series is spectrally delicious! Series 5 unleashes three spirits from the original 1984 movie: the Library Ghost, the Taxi Driver Zombie and a Terror Dog! Each 7-inch scale figure features up to 16 points of articulation, as well as character-specific accessories: the Library Ghost comes with a stack of books, the Taxi Driver comes with a steering wheel and the Terror Dog comes with interchangeable horns so it can be either Zuul or Vinz Clortho! Plus, each figure comes with a piece of the rooftop diorama – these are the last three figures you need to complete the whole shebang! Packaged in the trademark Select display packaging, with side panel artwork for shelf reference. Sculpted by Gentle Giant Studios!

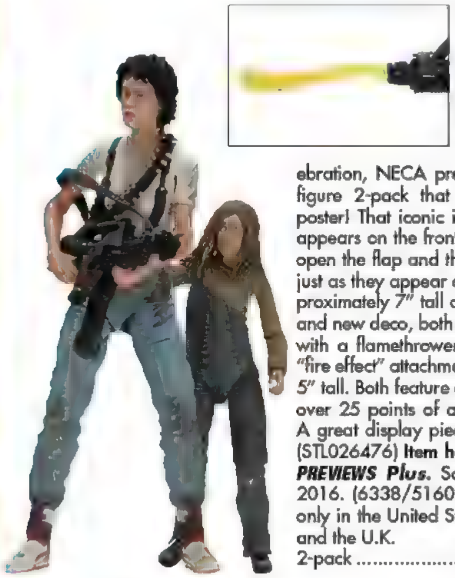
ALIENS SERIES 9 7-INCH-SCALE ACTION FIGURES

From NECA. Celebrate the 30th Anniversary of *Aliens* with three extraordinary action figure debuts! Series 9 includes the first-ever *Private Vasquez* and *Private Frost* figures with authorized likenesses, as well as an *Albino Alien* concept figure based on the original James Cameron screenplay. Private Jenette Vasquez is one of the most requested action figures of all time and features the likeness of Jenette Goldstein. Private Ricco Frost — known as "Frosty" to his fellow Marines — comes to action figure form for the first time with the likeness of actor Ricco Ross. The Albino Alien is NECA's first concept figure from the 1986 movie. It was inspired by the original James Cameron screenplay, which describes an albino version of the Xenomorph that has an excreting probe in place of the usual second inner mouth. The Albino Alien has over 30 points of articulation and features a bendable mouth probe and a frightening new color scheme. All figures stand approximately 7" tall (Albino Alien is over 9" tall) and come in 30th Anniversary clamshell packaging. (STL025338) **Item has been previously solicited in *PREVIEWS Plus.*** (6338/51611) (C: 1-1-2) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

Figure $24.99

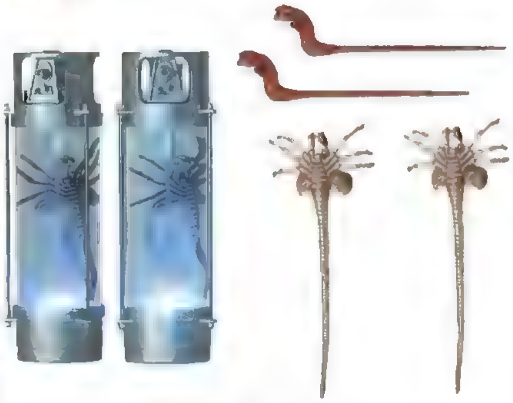


ALIENS 30TH-ANNIVERSARY RIPLEY: & NEWT DELUXE ACTION FIGURE 2-PACK

From NECA. Continuing the *Aliens* 30th anniversary celebration, NECA presents a special edition action figure 2-pack that recreates the movie's classic poster! That iconic image of Ripley rescuing Newt appears on the front flap of the deluxe packaging; open the flap and the figures are posed in the box just as they appear on the poster. Ripley stands approximately 7" tall and features a new head sculpt and new deco, both exclusive to this set. She comes with a flamethrower accessory that has a special "fire effect" attachment. Newt stands approximately 5" tall. Both feature authorized likenesses and have over 25 points of articulation for dramatic poses. A great display piece both in and out of the box! (STL026476) **Item has been previously solicited in *PREVIEWS Plus.*** Scheduled to ship in December 2016. (6338/51608) (C: 1-1-2) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

2-pack $44.99

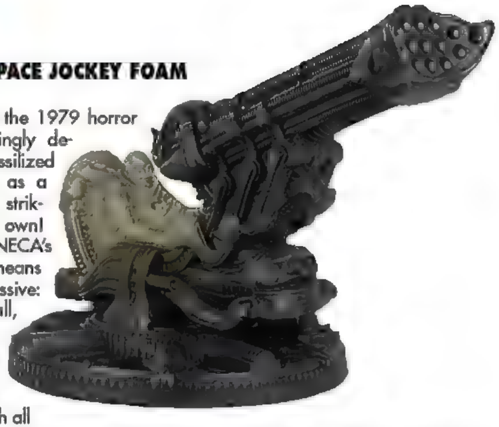
ALIENS: 30TH-ANNIVERSARY DELUXE CREATURE PACK



From NECA. To celebrate the 30th anniversary of the Aliens, NECA is releasing a deluxe creature pack that includes some frequently requested favorites from the terrifying movie! These six pieces will make for some mind-blowing dioramas, since they're perfectly in scale with our line of 7"" figures. Set includes 2 Stasis Chambers with LED Lights (press a button to cast an eerie glow on the facehugger preserved within), 2 Chestbursters with bendable tails, and 2 Facehuggers with bendable tails. (STL028332) **Item has been previously solicited in *PREVIEWS Plus.*** Scheduled to ship in November 2016. (6338/51622) (C: 1-1-2) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

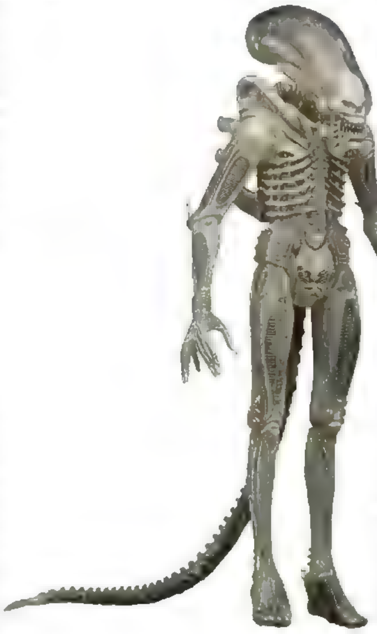
Figure Pack $20.68

ALIEN: FOSSILIZED SPACE JOCKEY FOAM REPLICA



From NECA. As seen in the 1979 horror classic *Alien*, this stunningly detailed replica of the Fossilized Space Jockey is perfect as a diorama element and a striking display piece on its own! It's perfectly in scale with NECA's line of 7" figures, which means that it's appropriately massive: two feet long, over 18" tall, and the circular base is 18" in diameter! The Fossilized Space Jockey is made of hand-painted foam rubber and latex with all the details you see in the movie. Comes packaged in a sturdy reinforced corrugated box. (STL027384) **Item has been previously solicited in *PREVIEWS Plus.*** (6338/51628) (C: 1-1-2) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

Statue $350.00



ALIEN: TRANSLUCENT CONCEPT FIGURE 1/4-SCALE ACTION FIGURE

From NECA. Due to popular demand, NECA's bringing the first concept figure from Alien to the quarter-scale format! In the iconic 1979 horror movie, the skin of the Xenomorph was meant to be almost transparent. The suit was originally cast in a translucent flesh-tone but repeated difficulties with the material forced the change to the dark coloring seen in the movie. This incredible action figure stands over 22" tall and has a hinged jaw that opens to reveal an inner mouth that extends for realistic movie action. It has 25 points of articulation, including double knee joints and a bendable tail, and extra attention has been paid to all the eerie details that made Giger's designs for *Alien* so mesmerizing. One production run only. (STL029299) **Item has been previously solicited in *PREVIEWS Plus.*** Scheduled to ship in November 2016. (6338/51626) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

*PREDATOR FIGURES NOT INCLUDED

PREDATOR ACCESSORY PACK

From NECA. Add to your Predator collection or build amazing dioramas with this new deluxe accessory pack! These frequently requested pieces are perfectly in scale with our line of 7 in figures and come in window box packaging. Set includes brand-new "skinned victim" accessory, plasma cannon blast effects that attach to most *Predator 1* and *Predator 2* cannons, and some extra bones and gore to really set the mood! (STL029565) **Item has been previously solicited in *PREVIEWS Plus.*** Scheduled to ship in November 2016. (6338/51550) (C: 1-1-0) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

Figure Pack $22.80

ALIEN VS PREDATOR: PYRAMID PILLAR DIORAMA ELEMENT

From NECA. Add to your *Alien vs Predator* collection or build amazing dioramas with the new deluxe Temple Pillar replica! This incredibly detailed piece has been a central element of the *AvP* dioramas, and after an overwhelming number of requests from fans, NECA is making it available. The *Temple Pillar* measures over 14" tall and is a faithful replica of the one seen on-screen in the movie, down to the Alien dome and Facehugger details molded into each side. It's cast in resin and perfectly in scale with NECA's line of 7"-scale *Alien* and *Predator* action figures. Closed box packaging. (STL029310) **Item has been previously solicited in *PREVIEWS Plus*.** Scheduled to ship in December 2016. (6338/51627) (C: 1-1-0) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

ONE-12 COLLECTIVE: DC COMICS: THE JOKER ACTION FIGURE

From Mezco. The Clown Prince Of Crime has bedeviled Batman since the moment he first appeared in Gotham. Not only is The Joker one of the Dark Knight's greatest villains, he is widely considered one of the greatest villains in all of time. The Joker's origin and appearance have been revised countless times since his 1940 debut in *Batman* #1, but the *One:12 Collective* unquestionably captures his maniacal visage and malevolent madness. Featuring over 28 articulation points, intricate sculptural work and incredible costume detailing, the final product creates an iconic vision with a "real world" look. The *One:12 Collective The Joker* features a 1:12 scaled, highly realistic fabric outfit; detailed sculpted costume accents, gloves, socks, and shoes; realistic facial sculptures; and a super articulated body with over 28 points of articulation. Included with this figure are a Standard portrait, an Alternate portrait, fists (left and right), posing hand (left), holding hand (right), card holding hand (right), revolver, chattering teeth, and display base. Packaged in a deluxe, character specific, fifth panel window box with a removable slipcover. GAME OF THRONES

GAME OF THRONES: ROYAL CROWN OF KING ROBERT BARATHEON LIMITED EDITION PROP REPLICA

From Factory Entertainment! Feel like the King of the Seven Kingdoms with this replica of the crown worn by Robert Baratheon in the first season of HBO's blockbuster series, *Game of Thrones!* The development team was able to borrow an original screen-used prop that was carefully studied and a direct casting was taken to ensure accuracy. When studying the original prop we discovered it was made from lightweight material that looked like metal but was not actually metal. However, each Factory Entertainment replica is crafted from actual metal to give it a heavy and suitably regal feel in the off-screen world. The replica includes a specially designed iron sword motif display stand, the allows the replica to rest on the hilts of 4 swords. A numbered limited edition, each replica includes an individually numbered plaque medallion cast in metal and is presented in a full color box with a Certificate of Authenticity. (STL023693) **Item has been previously solicited in *PREVIEWS Plus*.** (1570/408453) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

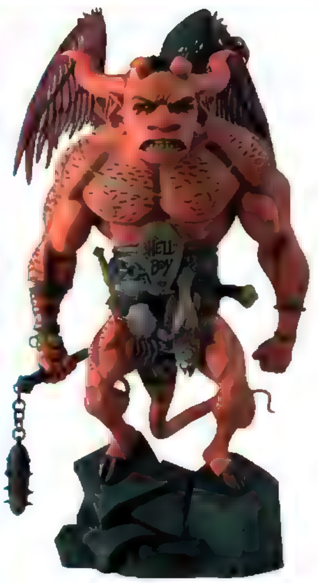
HELLBOY

OFFERED AGAIN



O/A HELLBOY: THE FIRST HELLBOY STATUE

In 1991, comic artist and writer Mike Mignola did a Black & White illustration at a comic convention of a demon character that bore the name "Hellboy" on his belt. This was the genesis of the filed-horned fighter of the supernatural known and loved today. Mondo is excited to bring the original concept to life with a 12" statue showcasing all the strange and fun details of the original drawing. In addition to all the sculpted details, original Hellboy colorist Dave Stewart was enlisted to design the color scheme for the piece. Now is a Hell of a time to bring this piece of comic history home! (STK689212) **Available Now!** (3294/MT-107) (C: 0-1-2)

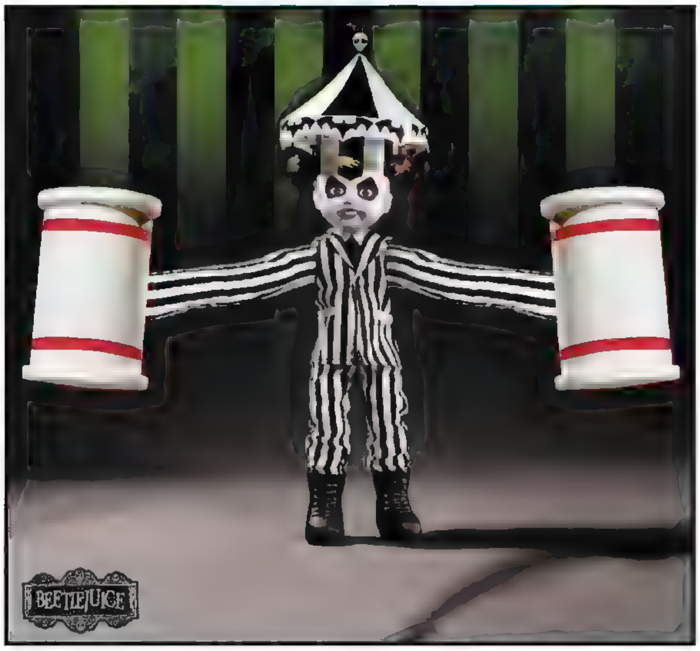
HORROR



LIVING DEAD DOLLS: "SHOWTIME" BEETLEJUICE DOLL

From Mezco. Beetlejuice, that "ghost with the most", is back and ready to bring his unique blend of horrific hilarity to your home! Tim Burton's Academy Award-winning film *Beetlejuice* not only introduced the title character, but forever branded his garishly colored, surrealistic antics into the collective minds of moviegoers. In one of the film's most memorable scenes, Beetlejuice transforms into a highly stylized nightmare carousel. As a hellish band of bizarre creatures encircle his head, his arms transmogrify into mallets. Now this moment is forever captured by the *Living Dead Dolls: "Showtime" Beetlejuice*! Dressed in his trademark black and white striped suit, he wears a phantasmagoric carousel headdress. The suit features elongated sleeves that can be unfurled just as they did in the film. Once the sleeves are elongated, the included mallet heads can be attached to the ends to perfectly replicate Beetlejuice's appearance in that unforgettable scene. The *Living Dead Dolls: "Showtime" Beetlejuice* comes packaged in a collector friendly window box so he can be displayed without having to say his name three times. He stands 10-inches tall (without headdress) and features five points of articulation. (STL030192) Scheduled to ship in November 2016. (4830/94700) (C: 0-1-2)

CHILD'S PLAY: TALKING GOOD GUYS 15-INCH MEGA SCALE FIGURE

From Mezco. Mezco continues their popular line of *Chucky* dolls with the one that started it all: the Good Guys Doll, and he wants you for a best friend! Before he became possessed by the spirit of Charles Lee Ray, a serial killer better known as "The Lakeshore Strangler," Chucky was just a harmless Good Guys doll. Mezco's designers have created an all-new head sculpt that perfectly captures his look in the popular film series, and Chucky speaks four movie-accurate phrases when a discreetly-placed button on his back is activated. Packaged in a sturdy, collector friendly die-cut window box (inspired by the packaging seen in the films!) the *Child's Play: Good Guys 15-Inch Mega Scale Chucky* doll is sure to become a focal point of any *Chucky* collection! (STL030191) Scheduled to ship in November 2016. (4830/78004) (C: 1-1-0) **NOTE:** Available only in the United States, U.S. Territories, Canada, Australia, and the U.K.

STAR WARS: THE EMPIRE STRIKES BACK: BOBA FETT "CLOUD CITY" ARTFX+ STATUE

From Kotobukiya! The hit line of smaller-scale *Star Wars* ARTFX+ Statues continues with most notorious bounty hunter in the outer rim, *Boba Fett!* Appearing as he did in *The Empire Strikes Back*, Boba Fett is never encountered without his full suit of Mandalorian armor and trusty blaster rifle. The armor plating over a full-length bodysuit clearly shows the wear and tear of a life of crime, along with all of the personal touches added by Fett over the years like the cape and unique built in weaponry. The bounty hunter is a perfect likeness of the character from the film, down to the colors on his armor and the crucial dent in his helmet. Poseable in two ways (holding his gun at ease or aimed at his quarry), Fett comes with two different interchangeable arms and magnets in his feet for display on the included base! Boba Fett stands almost 8 inches tall (1/10th scale). (STL030076) Scheduled to ship in May 2017. (6600/SW130) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

O/A AVENGERS AGE OF ULTRON: HULKBUSTER IRON MAN ARTFX+ STATUE

From Kotobukiya. Classified as the Iron Man Mark 44 armor, the Hulkbuster suit really tears it up! Based on its appearance in the *Avengers: Age of Ultron*, the huge armor looks as if it leapt straight off the screen. Iron Man strides forward to grapple with the green-skinned Avenger, leg pistons cranking and his right arm stretching out to make contact. While the resemblance to the classic Iron Man armor is readily apparent (especially in the bright metallic red and gold color scheme), the Hulkbuster takes it to a whole new level with a towering frame, thick armor plating, and a stout shape. Sculpted by Junnosuke Abe (RESTORE), Hulkbuster Iron Man stands an incredible 11 1/2" tall (in the ARTFX+ 1/10-scale) to tower over his allies and enemies alike. The Hulkbuster is one of the most impressive display pieces you'll ever own and it even pairs with the new Avengers: Age of Ultron Hulk ARTFX+ statue to make a fierce battle scene! (STK672059) **Available Now!** (6600/MK188) (C: 1-1-2) **NOTE:** Available only in the United States, U.S. Territories, Canada, Mexico, and the U.K.

WARHAMMER: CALL OF ARCHAON SC

(W) David Annandale & Various

Of the many champions of Chaos, none are as great or as feared as mighty Archaon. He is the Everchosen, Exalted Grand Marshal of the Apocalypse and Ender of Worlds, and it is a worthy warrior indeed who can fight by his side. Such Knights of Ruin are known as the Varanguard. Only by answering the call of Archaon can a warrior of Chaos ascend to their ranks, and acceptance is never guaranteed, for their mettle must first be proven. In this dark tale, three fell champions of the Chaos Gods all heed the call of the Everchosen. Each desires the ultimate prize: to become part of the Varanguard. But where one is chosen, others will fail, for Archaon's will is cruel and his trials exacting. (STL029003) (C: 0-1-0)

WARHAMMER 40K: LEMAN RUSS: THE GREAT WOLF HC

(CA) Chris Wraight

The second title in *The Horus Heresy: Primarchs* series, a brand new sequence of novels from Black Library. Many are the sagas of Leman Russ, Lord of Winter and War, most fearsome of the Emperor's primarch sons. At the height of the Great Crusade, his Space Wolves fight to bring the rebel world of Dulan to compliance. Enraged by the defiance of the tyrant Durath, Russ has pledged to strike him down personally, but his brother Lion El'Jonson of the Dark Angels advises more caution. With the might of two Legions arrayed against Durath, tensions nevertheless run high, and the rivalry between the Wolf and the Lion threatens to engulf them all. (STL029011) (C: 0-1-0)

WARHAMMER: LEGENDS OF THE AGE OF SIGMAR SC

(W) David Annandale & Various

The Age of Sigmar has dawned, and across the Mortal Realms, the forces of Order and Chaos battle for supremacy. It is not only the Stormhosts of Sigmar who fight for control of the Mortal Realms. Many others wage war on behalf of gods and kings. From the grim duardin Fyreslayers of the mountain lodges to the enigmatic and otherworldly sylvaneth of Alarielle's court, and even the wretched skaven of diseased Clans Pestilens — all must play their part in the struggles to come, forging their own legends in the Age of Sigmar. This omnibus contains stories by some of Black Library's most popular authors, including David Annandale, Guy Haley, David Guymer, Robbie MacNiven, Josh Reynolds, Rob Sanders, and Gav Thorpe. WARHAMMER 40K: PRAETORIAN OF DORN SC

(W) John French

Recalled from the Great Crusade after Ullanor, Rogal Dorn and the VIIth Legion were appointed as the Emperor's praetorians, but only after the Warmaster's treachery was revealed did the full extent of that sacred duty become apparent. Now, the Solar System comes under attack for the first time since the war began, and many of the seemingly impregnable defenses wrought by the Imperial Fists prove inadequate. With all eyes fixed firmly upon this new threat beyond the gates of Terra, who will protect Dorn from the enemy within? (STL029004) (C: 0-1-0)

WARHAMMER 40K: SHIELD OF BAAL SC

(W) Josh Reynolds & Various

A tendril of Hive Fleet Leviathan has reached the Cryptus shieldworlds. The Imperium musters its strength, for the aliens must be stopped here, as next in the hive fleet's path is the home world of the Blood Angels Space Marines, Baal itself. Many are the battlefields and the price of victory is steep. On Phodia, the sons of Sanguinius give battle to the dreaded Spawn of Cryptus. At Lysios, the Adepta Sororitas and Tempestus Scions hold the line against Leviathan. Far from the fighting, Blood Angels Sergeant Jatiel finds himself pitted against another threat, the necrons of Anrakyr the Traveller who may yet have a crucial impact on the greater war. MEGA MAN BOARD GAME

Recommended by Matthew Demory

I am absolutely positive that I spent more money as a kid renting some of the classic 8-bit *Mega Man* games than it would have taken to buy them. Back then I didn't have the money to buy every game I wanted outright, but spending a few bucks every weekend to rent a game was a good alternative. Playing as the Blue Bomber, blasting through stages, trashing enemy Robot Masters, and absorbing their power until I came face-to-face with Dr. Wiley, was extremely addicting and kept me busy for hours.

Now, as an adult, I've managed to collect the majority of the series and with Keiji Inafune's departure from Capcom I thought my *Mega Man* collection was as complete as it was going to get. Then I saw the Mega Man board game from Jasco.

The game faithfully recreates the spirit of the classic 8-bit series that many of us grew up with. Up to six players compete to clear stages and defeat robot masters. Once players have defeated two robot masters, you can then move on to Dr. Wiley's stage and work to defeat the game's iconic end boss. The twist of the game is that while you are playing to clear a stage your fellow players can control enemy minions and robot masters to take away precious hit points or extra lives!

FROM THE ARCHIVES INTERVIEW:

Scott Dunbier

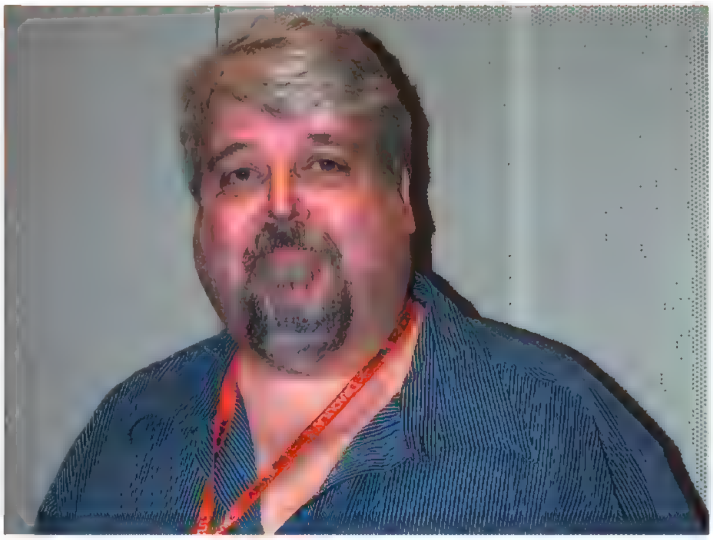
IDW's Artist Editions present classic comic book art as it was originally created, beautiful pen & ink pages scanned in color to capture every line and every nuance to be found on the originals. The man behind this series is IDW's "Special Projects Editor", Scott Dunbier. Since coming to IDW in 2008, he has turned his love of original comic art into this award-winning collector series, presenting material originally published by Marvel, DC, EC, and others, and illustrated by some of the industry's most legendary creators. This month, Scott talks about the Artist's Edition series, the process behind each volume, and where the collector-favorite series is headed…

PREVIEWS: January is the annual "Artist's Edition Month"! What is the story behind the creation of the "Artist's Editions" at IDW?

Scott Dunbier: I have a background as comic book art dealer, I did that before becoming an editor at WildStorm Productions in 1995. One of the perks of being a dealer was seeing so much beautiful art, including many complete stories. One of the artists I dealt with was Steve Dillon. I bought all of the *Preacher* issues starting with the first one, and would read each story from the original art. I loved it! That, along with discovering how much better color copies of original art looked than plain old black-and-white ones, were the core inspirations. Before I got to IDW, I was already planning on doing Artist's Editions. So when I landed here, Ted Adams (IDW CEO & Publisher) liked the idea and we ran with it. To date we've done more than 50 AE-style books… pretty crazy!

P: When selecting projects for the line, what are the criteria you use and what does it take to pull an edition together?

SD: There are several factors. The creator, the owner (Marvel, DC, creator-owned?), availability of the originals — so many times people make great suggestions and ask why I haven't put together a book of their favorite artist. I tell them if they can find the art for me, *I will*! The next step is to scan the original art. My preference is to scan everything at IDW, or to go on the road on a scanning trip. If that isn't possible, then we do use outside professionals. If the scans do not meet our exacting standards we don't use them. The whole point of these books is to mimic the experience of seeing the actual art, not to just print black-and-white versions.



P: As gathering the archival materials for each volume might involve many sources, how many Artist's Editions are "in progress" at any given time?

SD: At the moment I have five or six that are active, and a bunch that are slowly being worked on over time. Many more in my head.

ARTIST'S EDITION

THE EMPIRE STRIKES BACK

P. Is there any material that has eluded you thus far? Is there stuff you just can't find anywhere?

SD: Plenty — too much!! I would kill to do a volume of Jack Cole's *Plastic Man*! It just doesn't exist... at least not that I can find. Lots more... Reed Cradall's *Blackhawk*. Can you imagine an entire book of Mac Raboy or Lou Fine?!

P. What was the most difficult volume to produce to date?

SD: Probably one of the Artifact Editions. Since they are not complete stories, collecting pages can be difficult and very time-consuming. *Watchmen* was tough.

P. How is it that, despite the Comic Book Cold War going on now among the industry's largest publishers, IDW appears to have no difficulty working with them to produce these volumes re-packaging material they originally published? Are you Comic Book diplomats, or just super nice guys?

SD: A bit of both, I think. Between Greg Goldstein (IDW President and CEO) and myself, we have lots of long relationships with people at Marvel, DC, EC, RRB and more. Our partners trust us — they know we'll treat their babies like we would want them to treat ours.

P. Can you tell us about any new volumes presently in the works?

SD: Currently putting the finishing touches on the first *Jack Kirby's Fantastic Four* book. It's going to be a special one, has issues #71, Annual #6 (a 48-pager!), #82-84, and a terrific gallery section. My biggest problem is deciding what to leave out! Also have a *Reed Crandall's EC Stories Artist's Edition*, and Michael Kaluta's lovely *Starstruck*. And some others we have not announced yet.

P. Lastly, we've got a new, exciting pricing structure for the Artist's Edition! Can you tell us a little bit about what inspired the change and what you hope this does for the line as a whole?

SD: Dirk Wood, our marketing guru (and Tom Waits voice impersonator!) spearheaded it. The idea was to make the discount structure better for retailers and to make the books more profitable for everybody, without really impacting the consumers. Hopefully we've achieved this goal!

Science Fiction

Winner of the Hugo and Nebula awards for Science Fiction, as well as the MacArthur Fellowship "Genius" Grant, the late Octavia Estelle Butler brought a new voice to the worlds of Science Fiction, breaking down barriers of race and gender with her powerful, evocative works, including her multi-award winning novelette, Bloodchild. Now, Kindred, one of her most enduring and studied works, has been adapted into graphic novel format.

OCTAVIA BUTLER'S KINDRED GN

Recommended by Sarah

Any science fiction aficionado will recognize Octavia Butler's name. She pioneered new "norms" in speculative fiction with her minority and female protagonists. Her concepts were groundbreaking and her writer's voice unparalleled both for complex world-building and individual characterization. Countless awards and a lifetime's work later, you and I, gentle readers, are about to see her work made available in a whole new format. After nearly four decades since its first prose publication, *Kindred*, Butler's award-winning cross-generational science fiction odyssey, debuts this month as a graphic novel adaptation. Comic fans, we are so lucky!

Dana, an African-American woman of the modern era, repeatedly time-travels against her will to the plantation owned by her great-great-grandfather. Via these mysterious teleportations, Dana repeatedly rescues her white great-grandfather Rufus over the span of his life, always appearing when he needs her most. When he is a child, saving him is easy and gratifying, even if her method of travel is sudden and terrifying. As her ancestor ages, his troubles become more complex and his attitudes and assumptions are often hateful or degrading. Dana continues to save Rufus, knowing that until her own grandmother is conceived and born, she must keep her great-grandfather alive or she will cease to exist.

Butler's narrative casts a broad light on the evils of slavery to be sure, but more importantly, it brings out subtle shadows in the entirely human cast of characters both white and black. Further, and perhaps even more vividly, are the contrasts between historical and modern perspectives. Where these points of view meet and influence one another, the results yield understanding, healing, and hope.

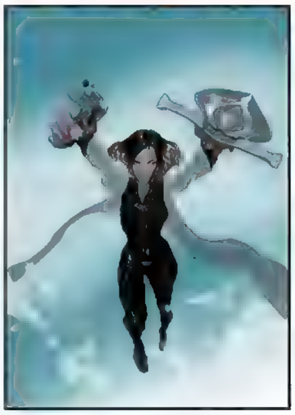
UNDERWORLD BLOOD WARS (ONE SHOT)

Recommended by Jonathan



The battle between Vampire and Lycan rages on in *Underworld: Blood Wars*, a new comic one shot coming in 2017 from Darkstorm Comics. Kevin Grevioux, creator of the *Underworld* franchise, makes his return to comics to expand on the stories featured in the fifth installment of the film series.

The *Underworld* franchise has solidified its place in modern cinema as the go-to for epic monster stories. Betrayed by the Vampires and hunted by the Lycans, Selene finds herself on the run yet again with no clear path for escape. Her longstanding fight with the Lycans reaches a tipping point, as the werewolves find a new leader determined to do anything that will give them the upper hand. This time they are after her blood, convinced that it will make the Lycans invincible.

The war is far from over, and the feud between Lycan and Vampire only grows stronger. Find out what happens in this can't-miss story!

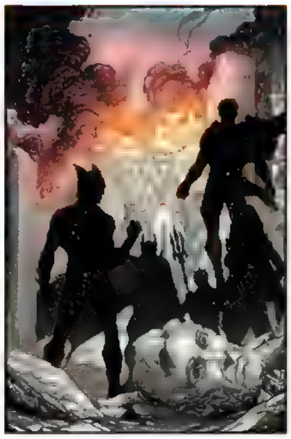
E.V.I.L. HEROES TP

Recommended by Trevor



For anyone familiar with Zenescope Entertainment, *E.V.I.L. Heroes* feels like a departure, perhaps even an inspired departure, from their usual fare. For the past year or more, Zenescope has been doing a lot of great work to grow beyond their branding as "that Grimm's Fairy Tale publisher." With this new undertaking, written by one of the company's founders, Joe Brusha, the mythology of the superhero is viewed through the scope of the old adage "absolute power corrupts absolutely." These characters have powers, but they definitely aren't heroes. These super-powered baddies drop on society like a nuclear bomb, quickly toppling the world's governments, and establish themselves as absolute rulers and Earth's new gods. The normal folk are left with a choice – bow down and submit or resist and risk the destruction of the entire human race.

The book has great art by art by Eric J, Crizam Zamora, and Marco Lesko which manages to reference familiar Zenescope imagery while also paying an incendiary tribute to classic superhero iconography. More to the point, it feels as if Zenescope is saying they are no longer content to just be "that fairy tale publisher" by taking the superhero mythos, America's own original fairy tales, and turning it all on its head.

E.V.I.L. Heroes reads as a declaration of intent from a publisher that is ready to challenge the status quo – both of a genre and of their own image in the industry at large.

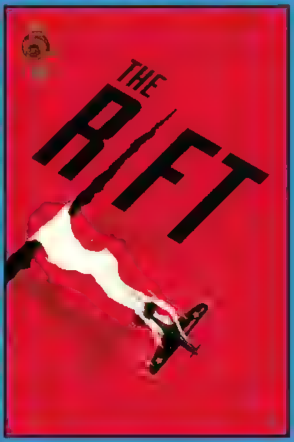
THE RIFT #1

Recommended by Jay

It's not the first time Kansas has been the nexus of strange activity in comics but this January, a new bizarre and "alien" phenomenon is crash landing in "The Wheat State" from Red 5 Comics. This time, however, the significant part isn't where it came from but, when.



The rift refers to the fracture in space-time that unexpectedly opens up and allows a solo American fighter pilot to coincidentally fly through and crash land in present-day Kansas. When a mother and son witness the crash, they help Lieutenant Cole escape his fiery wreck and he's understandably confused to find himself 75 years in the future. For Cole, it's been only seconds since he last battled the Japanese fighter planes but, for the rest of us, his recent battle in World War II is now only a distant memory. While the mother, son, and Cole all struggle to comprehend the odd "time travel" event, a shadowy scientific organization has tracked the rift event and they are swiftly closing in on Cole. According to the scientists tracking Cole, the rift poses a far greater threat to our world than just a man "lost" in time.

I love a good time travel story so I'm always ready to try a book like this, but it's the quality of the story that keeps a series going and writers Richard Rayner and Don Handfield are crafting an engaging story that leaves readers eager to find out what's next.
